

# Anglia Ruskin Transcription Centre

Anglia Ruskin Transcription Centre provides a high quality and competitively priced transcription service for the Business, Local Government, Education and Charity sectors within the United Kingdom. We have over twelve years of experience in the transcription industry to support blind, partially sighted and other disabled people.

With a wide variety of transcription services to our portfolio we take pride in delivering these to a very high standard at all times.

Our services include:

- Braille
- Large clear print
- Digital Audio
- Digital text
- Tactile Graphics/Diagrams
- Easy Read
- Accessible Business Cards
