Part 1

Summary and Explanation

i. The Council's Constitution

This is the Constitution of Essex County Council.

The Council has adopted the Constitution which sets out how the Council works, how decisions are made and the procedures that are followed to ensure these are efficient, transparent and the Council is accountable to local people. Some of these procedures are required by law, while others are a matter of choice for the Council.

The Constitution provides a framework which:

- (a) enables the Council to provide clear leadership to the community in partnership with members of the public, business and other organisations;
- (b) supports the active involvement of members of the public in the process of local authority decision-making;
- (c) helps Councillors represent their constituents more effectively;
- (d) enables decisions to be taken efficiently and effectively in line with the Council's Budget and Policy Framework;
- (e) creates a powerful and effective means of holding decision-makers to public account;
- (f) ensures that no one will review or scrutinise a decision in which they were directly involved;
- (g) ensures that those responsible for decision making are clearly identifiable to local people and that they explain the reasons for decisions; and
- (h) provides a means of improving the delivery of the services to the community.

ii. What is in the Constitution?

The Constitution is divided into five parts which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols contained within parts 4 and 5 of the Constitution.

Article 1 of the Constitution commits the Council to acting within the law to provide clear leadership to the community and to provide services to that community in an efficient, effective and accountable manner.

The remaining Articles explain the rights of citizens and how the key parts of the Council operate setting out their roles and responsibilities.

These are:

- Citizens and the Council (Article 2)

- Members of the Council (Article 3)
- Officers (Article 4)
- Decision making (Article 5)
- The Full Council (Article 6)
- The Cabinet (Article 7)
- Council Committees (Article 8)
- Overview and Scrutiny Committees (Article 9)
- Health Overview, Policy and Scrutiny Committee (Article 10)
- Joint arrangements (Article 11)
- Finance, Contracts and Legal Matters (Article 12)

iii. How the Council Operates

The Council is composed of 75 Councillors (also known as Members) elected every four years. Members are democratically accountable to the residents of their electoral divisions. The overriding duty of Members is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

Members have to follow a local code of conduct to ensure high standards in the way they undertake their duties. The Audit, Governance and Standards Committee trains and advises them on the code of conduct.

All Members meet together as the full Council and these meetings are open to the public.

The Council appoints the Leader of the Council and the Leader appoints up to nine other Councillors who together make up the Cabinet (the Executive). These each have specific areas of responsibility (portfolios) determined from time to time by the Leader of the Council.

The Council elects the Chairman and Vice-Chairman annually at the annual meeting of the Council.

The Council decides the overall policies and sets the budget for each year by setting the Budget and the Policy Framework within which all executive decisions are made.

iv. How Decisions are made

Full Council is responsible for all non-executive decisions.

The Cabinet is responsible for all executive decisions.

v. Overview and Scrutiny

The Council appoints four Overview and Scrutiny Committees that support the work of the Cabinet and the Council as a whole.

These committees are independent of the Cabinet and no Member on any Overview and Scrutiny Committee may exercise Executive functions.

Overview and Scrutiny Committees have a dual role that covers policy development of the Council and the Cabinet as well as the review of the Council's and Cabinet's decisions.

vi. The Council's Officers

The Council's employees (called "Officers") give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. The Officer Code of Conduct, set out within the Code of Corporate Governance, governs the practice of officers and requires officers to have regard to the Seven Nolan principles of public life. The protocol on Member/Officer relations is contained within Part 5 of the Constitution. This protocol governs the relationship between officers and Members of the Council.

vii. Citizens' Rights

Citizens have a number of rights and these are set out in detail in Article 2. Some of these are legal rights while others depend on the Council's own procedures.

viii. Other Public Bodies

The Council is also required to appoint Members to the Essex Police, Fire and Crime Panel.

- The law relating to pensions, and
- Any other matters which are prescribed in regulations.

It is for individual Members to be satisfied that they have the appropriate degree of knowledge and understanding to enable them to properly exercise their functions as a Member.

In line with this requirement Members are required to be able to demonstrate their knowledge and understanding and to refresh and keep their knowledge up to date. Members are therefore required to:

- participate in training events (a written record of relevant training and development will be maintained)

- undertake a personal training needs analysis or other method to identify gaps in skills, competencies and knowledge.
- Comply with the EPF Knowledge and Skills Strategy insofar as it relates to Members.

10. Remuneration and Expenses

(A) Subject to (B) below, an allowance may be made to Scheme Member representatives for attending meetings relating to Board business at a rate of £16.92 per hour, in line with the PSB Co-optee allowance at Appendix 2.

This allowance includes reasonable preparation time. Therefore it is considered that the following can be claimed:

- PAB attendance - up to four hours which includes preparation time = £67.68 per meeting
- Extra activities = £16.92 per hour which includes:
 - attendance at internal training events hosted by EPF; and
 - attendance at and preparation for Task and Finish Groups.

This allowance does not include time spent on external training events or observing at PSB or ISC meetings.

(B) It is hoped that Employers of Members who represent people who are members of the pension scheme will provide appropriate capacity to allow the representative to perform this role within their normal working day without any reduction in pay or leave. If that is the case, the representative will not be entitled to any allowance.

(C) Employer and pension scheme member representatives shall be entitled to claim travel and subsistence allowances at the rates contained in the Schedule of Member Remuneration in Scheme Manager's Constitution.

(D) The Chairman shall be paid remuneration and expenses as determined by the Appointments Panel. The Chairman will be expected not to claim all or part of the remuneration if the duties are carried out within their normal working day of other paid employment without any reduction in pay.

11. Receipt of advice and information

The Board will be supported in its role and responsibilities by the Independent Chairman and by EPF Officers who will provide a secretariat role. In addition, Board Members will receive the final reports, minutes and agendas relating to all PSB and ISC and may attend PSB and ISC meetings (including during exempt items).

Insofar as it relates to the role of the Board, the Board may also:

(A) request and receive information and reports from the PSB, ISC or any other body or officer responsible for the management of the EPF,

(B) examine decisions made or actions taken by the PSB, ISC or any other body or officer responsible for the management of the EPF,

(C) may attend all or any part of a PSB or ISC meeting (including during exempt items) unless they are asked to leave as a result of a conflict of interest.

The Secretariat will provide such information as is requested that is available without unreasonable work or costs. Any requests for information and advice that have not been provided by the Secretariat are subject to the approval of the Director for Essex Pension Fund who will be required to consider positively all reasonable requests in relation to the role of the Pension Board whilst being mindful of value for money.

12. ACCESS Joint Committee

The ACCESS Joint Committee operates on the basis member authorities have a limited number of opportunities to send observers to observe those parts of the meetings of the Joint Committee which are held in private (as a statutory joint committee the public are entitled to attend unless excluded in accordance with the law). The Scheme Manager currently allows Members some of its slots to observe the meetings.

Any Member who observes an ACCESS meeting is expected to the Board at the next available meeting.

No information regarding the ACCESS Joint Committee Part 2, (exempt or confidential business), may be released outside of the ACCESS Joint Committee meeting or meeting of the Board.

13. Administration

The Chairman will agree an agenda with the Secretariat prior to each Board meeting. The agenda and any papers for the Board will be issued at least 5 working days (where practicable) in advance of the meeting except in the case of matters of urgency. Draft records of each meeting including all actions, decisions and matters where the Board was unable to reach a decision will be drafted and normally circulated to all Board members within 12 working days after the meeting. These draft records will be subject to formal agreement by the Chairman taking consideration of comments by Board members (which may be done electronically between meetings).

The records of the meetings may, at the discretion of the Chairman, be edited to exclude items on the grounds that they would either involve the likely disclosure of exempt information as specified in Part 1 of Schedule 12A of the Local Government Act 1972 or it being confidential for the purposes of Section 100A (2) of that Act.

The Board must comply with the General Data Protection Regulation and the Scheme Manager's data protection policy. It must also adhere to the Scheme

Manager's requirements, controls and policies for Freedom of Information Act compliance.

14. Accountability

The Board will collectively and individually be accountable to ECC, as the Scheme Manager to the EPF.

15. Review, Interpretation and Publication of Terms of Reference and Rules of Procedure

These Terms of Reference and Rules of Procedure have been agreed by ECC. The Council will monitor and evaluate the operation of the Board and may review this Terms of Reference and Rules of Procedure from time to time.

These Terms of Reference and Rules of Procedure is incorporated into the Council's Constitution and published on the Council's website and may be amended by the same means as permitted for the Constitution. It will also form part of the EPF's Governance Policy and Compliance Statement which will be made available in accordance with the requirements of the LGPS Regulations.

16. Publication of Board information

In accordance with the Public Service Pensions Act 2013, Essex County Council is required to publish information about the Board including:

- who the Board Members are
- representation on the Board
- the role of the Board.

In accordance with good practice, ECC may publish other information relating to the Board as considered appropriate from time to time and which may include:

- the agendas and meeting records
- training and attendance logs
- an annual report on the work of the Board.

All or some of this information may be published using the following means or other means as considered appropriate from time to time:

- on the EPF website – www.essexpensionfund.co.uk
- on the ECC website – <http://www.essex.gov.uk>,
- within the EPF Annual Report and Accounts,
- within the EPF's Governance Policy and Compliance Statement.

Information may be excluded on the grounds that it would either involve the likely disclosure of exempt information as specified in Part 1 of Schedule 12A of the Local Government Act 1972 or it being confidential for the purposes of Section 100A(2) of that Act.

8.1.7 Health and Wellbeing Board

Purpose:

The purpose of the Essex Health and Wellbeing Board (EHWB) is to play a pivotal role in all parts of Essex to enable residents to lead healthy lives in ways which extend life expectancy and minimise differences in life expectancy between places. It will do this through delivering, supporting and influencing within the complex local system addressing the wider determinants of health.

Context:

Essex comprises about one and a half million citizens with a further 350,000 in the adjoining unitary councils of Southend and Thurrock. The population is ageing with the problems of frailty, including dementia, that that brings. There are increasing numbers of people with learning and other complex disabilities maturing into and across adulthood. Accordingly, there are increasing numbers of voluntary carers who share a similar demographic profile.

While life expectancy across the county is at or slightly above the national average, there are significant differences between areas and there is a clear inverse correlation between life expectancy and deprivation. Inequalities exist at geographical level as well between different vulnerable groups. These inequalities are driven by socioeconomic factors including income, education, employment, community safety, loneliness and housing.

The characteristics associated with unhealthy lifestyles are again in line with national averages but with significant intra-county variations and excluded groups. These include levels of obesity, physical inactivity and substance misuse. Diabetes remains a growing common ailment.

Mental illness and frailty is at least in line with national averages but there are particular concerns about levels of suicide where some districts feature among the worst effected in the country.

Activities of the Board:

The Health and Wellbeing Board is a statutory committee of Essex County Council. However, ownership of delivery and issues sits with all partners.

Given the purpose and context, the HWB will:

- Commission a joint strategic needs analysis (JSNA) from time to time as required.
- Ensure comprehensive and whole-system dialogue so that the emerging Joint health and wellbeing strategy (JHWS) has common ownership and commitment.
- Optimise and oversee delivery of the JHWS.

- Ensure whole system understanding of and commitment to the health and wellbeing agenda in key areas of influence such as economic development and employment, housing and education.
- Strive for perfect communications and collaboration between all parts of the system notably ICSs, local alliances and district level Health and Wellbeing Boards.
- Operate on the principle of subsidiarity recognising that strategies initiated by the EHWP should be limited to those which require a true pan-Essex focus.
- Promote the import of best practice from outside the county, and the sharing / adoption of best practice within the county.
- Provide a high-quality channel for dialogue with and feedback from residents and users, in line with the democratic accountability which local government brings to the system.

Way of Working:

The EHWP will focus on those areas across the county where health and wellbeing have greatest impacts, or where activities have greatest impact on health and wellbeing. For instance, healthy workforces will enable competitive advantage in retaining and bringing high-quality employment to the county while areas of high unemployment will be disadvantageous to health. The Board will wish to ensure that there is optimal system impact on all key wider determinants of health be they socioeconomic, lifestyle, clinical or environment related.

The EHWP will operate flexibly, seeking to create the right means and groups to deliver particular elements of the strategy. Formal face-to-face meetings will be supplemented by informal sessions whether face-to-face or virtual. Subcommittees such as the Essex Strategic Co-ordination Group (ESCG) will exist alongside working groups and task-and-finish groups.

Wherever possible the HWB will wish work to be undertaken through existing partnerships and groups. New groups will only be established where there is not an existing group that could embrace that function. This might be because no such group exists or it would be impossible for that group to afford sufficient priority to the required action.

The ESCG will retain a key coordination and delivery function. The group also supports the Essex Partnership Board (EPB) which will help ensure aligned agendas. This will be further enhanced through a shared dedicated secretariat. The ESCG role will include to develop agendas and coordinate delivery, with membership that reflects the full HWB.

The HWB will work adopt a subsidiarity as a key principle. This will involve strong links with local Alliances and district/borough and city level Health and Wellbeing Boards. The importance of the District County Health and Wellbeing forum will be considered in this.

The Board recognises the key importance of user voice. Local resident input will be key to success with Healthwatch, VCS members and elected members – including town and parish - on the Board having a key role in facilitating the Board's access to residents.

The complexity of the Essex system is apparent to all. It is hard to fully capture the full nuances of how the Board will work alongside the new NHS focussed system architecture and some degree of permeability, tolerance and acknowledgement of overlaps will be required of members. Further work in particular will be needed to more specifically clarify operational working with the three ICPs.

Part 3

Responsibility for Functions

This page is left deliberately blank

Part 3

13. Responsibility for Functions

13.1 Introduction

Section 13 of the Local Government Act 2000 provides that all functions of the Authority shall be functions of the Cabinet except in so far as they are reserved to the Council by any other enactment or by Regulations made under the Local Government Act 2000.

The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 define those functions as reserved to Council as those:

- (i) which must not be discharged by the Cabinet;
- (ii) which may be the responsibility of the Cabinet;
- (iii) which may not be the sole responsibility of the Cabinet.

Only the Council has the discretion to decide which functions fall into (ii) and (iii) above.

It follows that the functions of the Council are either:

- (i) the responsibility of the Council, (a Council Function); or
- (ii) the responsibility of the Cabinet, (an Executive Function); or
- (iii) a Local Choice Function, which is a function where the Council is free to choose whether responsibility rests with either Council or Cabinet.

13.2 Council Functions

“Council Functions” are therefore;

- (i) those functions which are reserved as a Council Function by the Local Government Act 2000 and by subsequent enactments and regulations;

15. Scheme of Delegation to Officers

15.1.1 General Principles

This scheme, which has been agreed by the full Council and by the Leader of the Council, authorises officers of the Council to take decisions about the exercise of the Council's statutory functions.

The Council wants its officers to be empowered to manage the services entrusted to them. This scheme is intended to be interpreted broadly.

This scheme applies to all of the Council's powers and duties derived from legislation or otherwise and all incidental powers and duties.

Executive Functions are delegated by the Leader under section 9J of the Local Government Act 2000 (as amended). References to 'the Regulations' are references to the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 (as amended).

Officers identified in this document as exercising delegated powers will be politically restricted under s2(1)(g) of the Local Government and Housing Act 1989.

Executive Decisions taken by officers must be recorded as required by law.

In exercising any delegated powers, officers are expected to undertake appropriate consultation with other members and officers and shall have regard to any advice given.

An Officer may choose not to take a decision if they feel it is not appropriate for them to make a decision and may refer a matter to the Cabinet Member or to the appropriate committee for a decision.

Officers taking decisions are required to keep Members (including local members) properly informed about relevant decisions.

15.1.2 Who can take decisions under this scheme of delegations

The primary delegated officers are listed in paragraph 15.3 below. In addition, this Scheme of Delegation also allows any other officer of the Council to exercise delegated powers if they have been authorised to do so by any officer listed in 15.3.

- Authorisations can be general or specific in terms of the powers delegated and the officers to which the authorisation applies.
- Authorisations are subject to any restrictions and limits set out in the authorisation.
- Authorisations cannot allow anyone other than the Chief Executive or an Executive Director to:

- make a decision with financial implications of more than £500,000; or
- make a decision which the authorising officer could not make.
- Authorisations must be recorded in a register maintained by the Monitoring Officer.

15.1.3 Decisions with financial implications of over £500,000

This scheme does not authorise anyone other than the Chief Executive or an Executive Director to take a decision on executive functions with financial implications which exceed £500,000. Where an Officer with delegated powers takes a decision with financial implications which exceed £500,000 the decision may only be taken after the officer has:

- considered a written report
- consulted the relevant Cabinet Member or in the absence of the relevant Cabinet Member, the Leader.

As soon as practicable after the decision has been taken the report and the decision must be:

- published on the Council's website; and
- circulated to the relevant overview and scrutiny committee.

Nothing in this paragraph requires anything to be published if it includes exempt or confidential information.

15.1.4 Limit on delegations

- (a) Officers may not take decisions on executive functions if the proposed decision is contrary to the Policy Framework approved by full Council. Any proposal to take a decision contrary to the Policy Framework must be the subject of a report to Cabinet who will make a recommendation to full Council.
- (b) Any exercise of delegated powers must comply with:
 - (i) any restrictions contained in the law;
 - (ii) the Constitution (including standing orders, procurement rules and financial regulations).
- (c) Officers may not take delegated decisions unless adequate budgetary provision has been made for the likely financial consequences of the decision.
- (d) Except as otherwise stated in the scheme of delegation, no officer may take a Key Decision (see paragraph 15.3.1(iii) for the Chief Executive's power to make key decisions)
- (e) Other than as set out below, this scheme does not authorise officers to change fees, charges or concession policies:

- (i) officers may apply inflationary increases to fees, charges and concession policies;
 - (ii) officers may determine fees for one off events or activities;
 - (iii) officers may determine the fees to be charged to other public bodies for services which the Council provides on a commercial or full-cost recovery basis;
- (f) This scheme does not authorise the making of a compulsory purchase order.
- (g) This scheme does not authorise the acquisition of an interest in land in anticipation of future requirements.
- (h) Unless otherwise stated, this scheme does not authorise the confirmation of any order or grant of any permission, consent or licence or other determination where any response is received expressing opposition to the proposed course of action.
- (i) Nothing in this Scheme of delegation authorises any officer of the Council who is not a permanent employee to make any decision with financial implications in excess of £500,000.
- (j) Decisions taken by Officers must comply with such procedural or other requirements as may from time to time be prescribed by the Section 151 Officer or the Monitoring Officer.
- (k) Nothing in this Scheme of Delegation allows any officer to make the decision to appoint or dismiss a chief officer or deputy chief officer other than
 - (i) to make a temporary or interim appointment of a deputy chief officer for up to one year (with any decision to re-appoint or extend a temporary post beyond a year being referred to the Senior Management Employment Committee);
 - (ii) to dismiss a person appointed under (i) or
 - (iii) to make decisions relating to a Head of Service reporting to a Director.
- (l) Any proposal for an officer to make a temporary or interim appointment of a deputy chief officer in accordance with (k) must be notified to the Leader and the decision referred to the Senior Management Employment Committee if the Leader so requires.
- (m) Nothing in this Scheme of Delegation allows any officer to make any decision about the pay or any other remuneration of a chief officer or deputy chief officer other than one falling under (k), other than to adjust their pay to the assessed 'rate for the job' for their pay grade.
- (n) Nothing in this Scheme of Delegation allows any officer to alter any aspect of pay grades A or B.

 - (i) Changing the management structure of the council
 - (ii) Making a decision which will affect the pay of more than one employee or contractor.

Oral commentary provided during the meeting will not therefore be permitted.

Where the publication of the intention to make a Key Decision on the Forward Plan is impracticable, then subject to Rule 19.16 (special urgency), the decision may still be taken if:

- (i) the decision must be taken by such a date that it is impracticable to defer the decision until; notice has been given on the Forward Plan for at least 28 clear days;
- (ii) the Proper Officer has informed the Chairman of the Corporate Policy and Scrutiny Committee or if there is no such person, each member of that committee by notice in writing, of the matter to which the decision is to be made;
- (iii) the Proper Officer has made copies of that notice available to the public at County Hall, Chelmsford and on the website; and
- (iv) at least five clear days have elapsed since the Proper Officer complied with (ii) and (iii).

As soon as reasonably practicable after the Proper Officer has complied with (ii) and (iii) he must make available at County Hall, Chelmsford, and on the website a notice setting out the reasons why it is impracticable to defer the decision.

Where such a decision is taken collectively, it must be taken in public.

19.16 Special Urgency Relating to Key Decisions

If by virtue of the date by which a decision must be taken Rule 19.15 (general exception) cannot be followed, then the decision can only be taken if the decision taker (if an individual) or the Chairman of the body making the decision, obtains the agreement of:

- (i) the Chairman of the Corporate Policy and Scrutiny Committee; or
- (ii) if there is no chairman of the committee, or if the chairman of the committee is unable to act, then the agreement of the Chairman of the Council, or
- (iii) in his absence, the Vice-Chairman of the Council;

that the taking of the decision is urgent and cannot be reasonably deferred.

As soon as reasonably practicable after agreement has been obtained a notice must be made available at County Hall, Chelmsford, and on the Council's website setting out the reasons that the matter is urgent and cannot reasonably be deferred.

19.17 Report to Council where the Key Decision procedure is not followed

If an executive decision has been made and not treated as a key decision and the relevant overview and scrutiny committee is of the opinion that the decision should have been treated as a key decision, the committee may require the Cabinet to submit a report to the Council within such reasonable period as the Committee may specify.

The report to Council will set out the decision and the reasons for the decision, the decision maker by which the decision was made, and if the Leader is of the opinion that it was not a Key Decision, the reasons for that opinion.

19.18 Report on special urgency decisions

The Leader must submit reports to the Council at such intervals as may be determined but not less than annually on the Cabinet decisions taken in the circumstances set out in Rule 19.16 (special urgency) during the period since the last report was submitted to Council. The report will include the particulars of each decision so taken and a summary of the matters in respect of which each decision was made. If no such Cabinet decisions have taken place, then no such report is necessary.

19.19 Record of Decisions

After any meeting of the Cabinet (or of its committees, if any) whether held in public or private, the Proper Officer or, where no officer was present, the person presiding at the meeting, will produce and publish a record of every decision, including Key Decisions and non Key Decisions, taken at that meeting as soon as practicable. The record will include a statement of the reasons for each decision and any alternative options considered and

rejected at that meeting, any interest declared in relation to the matter decided by any member of the decision-making body which made the decision and in respect of any declared interest a note of any dispensation granted by the Head of Paid Service.

19.20 Recording of decisions made by individuals

- (1) As soon as reasonably practicable after an executive decision has been taken by an individual Member of the Cabinet, he will prepare, or instruct the Proper Officer to prepare, a record of the decision, which includes a record of the decision including the date it was made, a statement of the reasons for it, any alternative options considered and rejected, a record of any conflict of interest declared by any Member of the Cabinet who is consulted by the decision-maker and in respect of any interest declared a note of any dispensation granted by the Head of Paid Service.
- (2) As soon as reasonably practicable after an officer has made a decision delegated to the officer by the Council or any of its committees or sub-committees, or by the Cabinet or a Member of the Cabinet then the decision must be recorded if
 - (c) it relates to the discharge of a function which for the time being is the responsibility of the Executive; or
 - (d) it is a decision which is not the responsibility of the Executive and the effect of the decision is:
 - (i) to grant a permission or licence; or
 - (ii) to affect the rights of an individual; or
 - (iii) to award a contract or incur expenditure which materially affects that relevant local government body's financial position.
- (3) The record prepared under 19.20(2) above must be produced by or on behalf of the officer concerned and must include a record of the decision including the date it was made, a statement of the reasons for it, any alternative options considered and rejected, a record of any conflict of interest declared by any Member of the Cabinet who is consulted by the officer and in respect of any interest declared a note of any dispensation granted.
- (4) The provisions of Rules 19.7 and 19.8 (inspection of documents after meetings) will also apply to the making of decisions by individual Members of the Cabinet and decisions taken by Officers which are required to be recorded. This does not require the disclosure of exempt or confidential information or advice from a political assistant.

19.21 Additional rights of access to documents for members of local authorities

Any document which is in the possession or under the control of the executive of a local authority and contains material relating to any business to be transacted at a public meeting must be available for inspection by any Member for at least five clear days before the meeting except that where the meeting is convened at shorter notice, such a document must be available when the meeting is convened and when an item is added to the agenda at shorter notice such a document must be available for inspection when the item is added to the agenda.

Any document which is in the possession or under the control of the executive of a local authority and contains material relating to any business transacted at a private meeting or any decision made by an individual member or officer in accordance with executive arrangements must be available for inspection by any Member when the meeting concludes or immediately after the decision has been made and in any event within 24 hours of the conclusion of the meeting or the decision being made as the case may be.

The above does not require a document to be available for inspection if it appears to the Proper Officer that it discloses (a) exempt information of a description falling within Part 1 of Schedule 12A to the 1972 Act unless it is information of a description falling within paragraph 3 (except to the extent that the information relates to any terms proposed or to be proposed by the Authority in the course of negotiations for a contract) or paragraph 6; or (b) advice provided by a political adviser or assistant.

19.22 Overview and Scrutiny Committees' access to documents

19.22.1 Rights to copies

Subject to Rule 19.22.2, a member of an Overview and Scrutiny Committee (including any sub-committees) will be entitled to copies of any document which is in the possession or under the control of the Cabinet and which contains material relating to:

- (i) any business that has been transacted at meetings of the Cabinet (or its committees, if any); or
- (ii) any decision that has been taken by an individual Member of the Cabinet or an officer in accordance with executive arrangements.

The Cabinet must provide such document as soon as reasonably practicable and in any case no later than 10 clear days after the request is received. Where Cabinet determines that the member is not entitled to a copy of the document or part thereof it must provide the overview and scrutiny committee with a written statement setting out its reasons for that decision.

19.22.2 Limit on rights

A member of an Overview and Scrutiny Committee will not be entitled to:

- (i) any document that is in draft form; or
- (ii) any part of a document that contains exempt or confidential information, unless that information is relevant to an action or decision the committee is reviewing or scrutinising or intending to scrutinise; or
- (iii) the advice of a political adviser.

20. Overview and Scrutiny Committee Procedure Rules

20.1 Overview and Scrutiny Committees

The Council will establish the Overview and Scrutiny Committees set out in Article 9 and will appoint to them from time to time.

The Overview and Scrutiny Committees may be appointed for a fixed period upon the expiry of which they shall cease to exist.

20.2 Membership and Substitutes

Any Member, except Members of the Cabinet, may be a member of an Overview and Scrutiny Committee.

No Member may be involved in scrutinising a decision which he has been directly involved in taking.

A Deputy to a Cabinet Member should not serve on an Overview and Scrutiny Committee that scrutinises the work undertaken by that Cabinet Member.

Where possible named substitutes should be used for ongoing reviews. However, if a Member cannot obtain a named substitute then another Member can be a substitute.

All apologies for absence and substitutes must be notified to the Chairman and Committee Officer at least five minutes before the start of the meeting.

An Overview and Scrutiny Committee or Task and Finish Group may include persons who are not members of the authority, but such persons are not entitled to vote at any such meeting of the committee or group on any question which falls to be decided at that meeting.

20.3 Education Representatives

The People and Families Policy and Scrutiny Committee dealing with education matters shall include in its membership the following voting representatives:

- (i) One Church of England diocese representative;
- (ii) One Roman Catholic diocese representative; and
- (iii) Two parent governor representatives.

The representatives shall not vote on matters other than those relating to education, though they may stay in the meeting and speak.

The Corporate Policy and Scrutiny Committee will include the above representatives in their membership when dealing with education matters. The representatives may speak and vote on such matters.

20.4 Meetings

In addition to ordinary meetings, extraordinary meetings may be called from time to time as and when appropriate. An Overview and Scrutiny Committee meeting may be called by the Chairman, by any members of the committee or by the proper officer if he considers it necessary or appropriate.

20.5 Public Speaking Procedure

At the start of every Ordinary meeting of the Cabinet and Scrutiny Committees there shall be a period of up to 15 minutes to enable members of the public to make representations on an item on the Agenda for that meeting.

The Procedure for public speaking is as set out in 17.5.2 above.

20.6 Quorum

The quorum for an Overview and Scrutiny Committee shall be one quarter of the membership.

20.7 Chairmanship

At its annual meeting the Council shall elect a Chairman of each Overview and Scrutiny Committee.

The Council will elect the Leader of the largest Opposition group as Chairman of the Corporate Policy and Scrutiny Committee; unless there is not one such group but two or more opposition groups with equal numbers of members, in which case the Council will elect the Chairman from the Leaders of each of those groups each year in alphabetical order by Group name.

20.8 Work Programmes

Overview and Scrutiny Committees will be responsible for setting their own work programme which exercises the functions as conferred by Section 21 of the Local Government Act 2000 and set out in Article 9 of this Constitution.

In doing so they shall take into account views of members of that committee who are not Members of the largest political group on the Council.

20.9 Agenda Items

Any member of an Overview and Scrutiny Committee or Task and Finish Group shall be entitled to give notice to the Proper Officer that he wishes an item relevant to the functions of the Committee or Task and Finish Group to be included on the agenda for the next available meeting of the Committee or Task and Finish Group. On receipt of such a request the Proper Officer will ensure that it is included on the next available agenda.

At each Overview and Scrutiny Committee meeting members of the relevant Overview and Scrutiny Committee can suggest additions for that Committee's work programme.

The Overview and Scrutiny Committee will add the item to the agenda and may either:

- (i) commission work to commence immediately;
- (ii) request a scoping document to be prepared to assist the decision; or
- (iii) reject the suggestion.

Any member can write to the Head of Democracy and Transparency giving an outline of the item and issue to be scrutinised and the reasons. This will then be placed on the agenda of the next meeting of the Scrutiny Board for consideration for allocation to the appropriate Overview and Scrutiny Committee. The Scrutiny Board may recommend that the item be:

- (i) given priority over other items; or
- (ii) placed on the pending list; or the Scrutiny Board may reject the request.

20.10 Policy Review and Development

The role of Overview and Scrutiny Committees in relation to the development of the Council's Budget and the Policy Framework is set out in detail in the Budget and the Policy Framework Procedure Rules.

In relation to the development of the Council's approach to other matters not forming part of its Budget and the Policy Framework, Overview and Scrutiny Committees may make proposals to Cabinet insofar as they relate to matters within their terms of reference.

Overview and Scrutiny Committees may hold enquiries and investigate the available options for future direction in policy development and may appoint

advisers and assessors to assist them in this process. They may go on site visits, conduct public surveys, hold public meetings, commission research and do all other things that they reasonably consider necessary to inform their deliberations. They may ask contributors and witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors, contributors and witnesses a reasonable fee and expenses for doing so.

Overview and Scrutiny Committees conduct a scrutiny and/or policy review in seven stages, as follows:

- Stage 1 Developing the Work Programme
- Stage 2 Scoping the Inquiry
- Stage 3 Collecting contributions and evidence
- Stage 4 Considering contributions and evidence
- Stage 5 Producing a report and communicating recommendations
- Stage 6 Receiving and dealing with feedback
- Stage 7 Monitoring.

20.11 Reports from Overview and Scrutiny Committees

Once it has formed recommendations on proposals for development, an Overview and Scrutiny Committee will prepare a formal report and submit it to the proper officer for consideration by the Cabinet (if the proposals are consistent with the existing Budget and the Policy Framework), or to the Council through the Cabinet if the proposals would require a departure from or a change to the agreed budget and policy framework.

If an Overview and Scrutiny Committee cannot agree on one single final report to the Council or Cabinet, as appropriate, then up to one minority report may be prepared and submitted for consideration with the report.

The Council or Cabinet shall consider the report of an Overview and Scrutiny Committee within one month of it being submitted to the Proper Officer or at the next available meeting.

20.12 Consideration by the Cabinet

Where an Overview and Scrutiny Committee prepares a report for consideration by the Cabinet in relation to a matter where the Leader or the Council has delegated decision making power to another Cabinet Member, then the Overview and Scrutiny Committee will submit a copy of their report to him for consideration. At the time of doing so, the Overview and Scrutiny Committee shall serve a copy on the Proper Officer. The Cabinet Member must consider the report and respond in writing to the Overview and Scrutiny Committee within four weeks of receiving it. A copy of his written response to it shall be sent to the Proper Officer and the Leader. The Cabinet Member will also attend a further meeting of the Overview and Scrutiny Committee to present his response.

Only one report every month may be submitted by each Overview and Scrutiny Committee to the Cabinet.

20.13 Attendance of Members and Officers

An Overview and Scrutiny Committee may require any Member of the Cabinet or senior officer to attend before it to explain in relation to matters within their remit:

- i) any particular decision or series of decisions; and
- ii) the extent to which the actions taken implement Council policy.

It is the duty of those persons to attend if so required.

Where any Member or officer is required to attend an Overview and Scrutiny Committee under this provision, the chairman of that committee will inform the Proper Officer. The Proper Officer shall inform the Member or officer in writing giving reasonable notice of the meeting at which he is required to attend. The notice will state the nature of the item on which he is required to attend to give account and whether any papers are required to be produced for the committee. Where the account to be given to the committee will require the production of a report, then the Member or officer concerned will be given sufficient notice to allow for preparation of that documentation.

Where, in exceptional circumstances, the Member or officer is unable to attend on the required date, then the Overview and Scrutiny Committee shall in consultation with the Member or officer arrange an alternative date for attendance to take place within a maximum of seven days from the date of the original request.

20.14 Attendance by Others

An Overview and Scrutiny Committee may invite people other than those people referred to in paragraph 20.13 above to address it, discuss issues of local concern and/or answer questions.

20.15 Call-In

- (i) Call-in should only be used in exceptional circumstances. Day-to-day management decisions or routine operational decisions should not be subject to call-in.
- (ii) Subject to paragraph (xix) any decision taken by
 - (a) the Cabinet;
 - (b) any Member of the Cabinet; or
 - (c) any joint body or partnership specified in paragraph 13.3

may be called in to the Overview and Scrutiny Committee whose remit includes the subject matter of the decision. A decision may be called in by

- (a) any Member of the relevant Overview and Scrutiny Committee;
 - (b) any Member of the Council who has the support of a further three Members of the Council; or
 - (c) with the agreement of the Chairman of the relevant Overview and Scrutiny Committee, any Member of the Council who represents a Division which is particularly affected by the decision in question.
- (iii) Where a decision is made by the Cabinet or an individual Cabinet Member the decision shall be published (including where possible by electronic means) and shall be available at the main offices of the Council within three clear working days of being made. Members of the relevant Overview and Scrutiny Committee shall be sent copies of the notice of all such decisions also within three clear working days.
- (iv) The notice publishing such decision shall bear the date upon which it is published and will specify that the decision will come into force and may then be implemented on the expiry of three clear working days after publication unless called in.
- (v) A decision is called in if during the period specified in (iv) above a valid written call in notice is received which specifies the reasons for the call in. The proper officer shall then call a meeting of the Committee on such date as he decides (where possible after consultation with the Chairman of the Committee) and in any case within ten clear working days of receipt of the request to call in.
- (vi) On receipt of a notice of call-in the Scrutiny Officer will:
 - (a) arrange for the notice to be acknowledged in writing;
 - (b) for the decision taker to be formally notified in writing of the receipt of a notice of call-in; and
 - (c) for the Chairman of the Overview and Scrutiny Committee to be informed where the Chairman is not a party to the call-in.
- (vii) Prior to the meeting of the Committee arranged under (v) above, the Chairman may, with the agreement of the Member calling the matter in, arrange an informal meeting between him, the Member calling in the decision and the decision taker to discuss the issue.
- (viii) Where the call-in has been made as the result of representations from a Member who is not a member of the Committee, that Member will be invited to attend the informal meeting. The Scrutiny Officer will attend the informal meeting and will within 24 hours produce a note for circulation to all parties to the meeting for approval.

- (ix) Where at the informal meeting stage assurances are given by, or agreements reached with Cabinet Members, then those assurances or agreements must subsequently be confirmed in writing.
- (x) A report of any call-ins that are withdrawn as a result of an informal meeting will be included on the Agenda for the next meeting of the Committee.
- (xi) If the call-in is not withdrawn as a result of the informal meeting or an informal meeting is not held it will go to the Committee. The Committee should meet within 10 clear working days of the notice of call-in. Wherever possible scheduled meetings of the Committee will be used. Where this is not possible the Scrutiny Officer will liaise with the parties concerned and the Group Spokespersons on the Committee to arrange a special meeting.
- (xii) The Scrutiny Officer will liaise with the parties concerned on behalf of the Chairman of the Committee to ensure that all those with a reasonable interest in the decision have an opportunity to be represented at the meeting, including any Member whose representations have led to the call-in.
- (xiii) Having considered the decision, the Committee may refer it back to the decision taker setting out in writing its concerns or refer the matter to the full Council also with a record of its concerns. Upon a referral to a decision taker, the decision shall be reconsidered within five clear working days amending the decision or not before adopting a final decision.
- (xiv) If the Committee does not refer a decision to either the decision taker or the Council, the decision shall take effect at the conclusion of the meeting of the Committee.
- (xv) Following consideration of a call-in by the Committee, the Scrutiny Officer will liaise with the Chairman and Group Spokespersons to agree the formal notification of its decision to go to the interested parties and, if the call-in is referred to Council, to agree the wording of the report to Council.
- (xvi) If, following a reference of a decision from an Overview and Scrutiny Committee, the Council objects to that decision it will be referred to the decision taker together with the Council's views. The decision taker will reconsider the decision within five clear working days deciding whether or not to amend the decision before implementing it.
- (xvii) If the Council does not refer a decision to a decision taker then the decision shall take effect at the conclusion of the meeting of the Council.
- (xviii) A request to call-in a decision may be withdrawn at any time by those making the request.
- (xix) The call-in procedure set out above does not apply where

- (a) The Chairman of the Corporate Policy and Scrutiny Committee or in their absence the Chairman of the Council or in the absence of both, the Vice Chairman of the Council agrees that it is in the interests of the Council for the decision to be implemented urgently.
- (b) The decision is to make a recommendation to full Council
- (c) The decision is to go out to consultation or to respond to a matter upon which the Council has been consulted; or
- (d) The decision is to appoint an individual to a particular role.

Decisions exempt from call-in on the grounds of urgency shall be reported to the next available meeting of the Council, setting out the decision and the reasons for urgency.

All parties will be advised of this procedure each time an executive decision is called in.

20.16 Task and Finish Groups

Committees may appoint sub-committees known as Task and Finish Groups to which political proportionality need not be applied.

No member of Cabinet shall be appointed as a member of a Task and Finish Group.

A decision on whether a policy and scrutiny review will be carried out by the Committee or a Task and Finish Group will be made as part of the work on the scoping document.

The Committee may make a decision about the make-up of the group or volunteers sought subsequently.

Reports of Task and Finish Groups are developed by the Scrutiny Officer in consultation with its Chairman and approved by the full group.

Where it is not possible to reach a consensus, attempts will be made to reflect minority views within the report but there is no provision for minority reports.

Task and Finish Group reports shall be reviewed by the commissioning committee which will decide whether to ratify the findings and/or recommendations.

Paragraphs 20.13 (Attendance of members and officers) and 20.14 (Attendance by others) shall apply to Task and Finish Groups in the same way as they apply to Committees.

This applies whether reports are produced in-house or via an external consultant or body.

Localism Act 2011

Promoting and Maintaining High Standards of Conduct in Local Government

Local Government Association Model Councillor Code of Conduct 2020

24.1 Joint statement

- 24.1.1 The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviors and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors.
- 24.1.2 As councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area, taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.
- 24.1.3 Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.
- 24.1.4 This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

24.2 Introduction

- 24.2.1 The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.
- 24.2.2 All councils are required to have a local Councillor Code of Conduct.
- 24.2.3 The LGA will undertake an annual review of this Code to ensure it continues to be fit for purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and councillors on the application of the Code and the National

Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

24.3 Definitions

24.3.1 For the purposes of this Code of Conduct, a 'councillor' means a member or co-opted member of a local authority or a directly elected mayor. A "co-opted member" is defined in the Localism Act 2011 Section 27(4) as "a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint subcommittee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee".

24.3.2 For the purposes of this Code of Conduct, "local authority" includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

24.4 Purpose of the Code of Conduct

24.4.1 The purpose of this Code of Conduct is to assist you, as a councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

24.5 General principles of councillor conduct

24.5.1 Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors and local authority officers; should uphold the Seven Principles of Public Life, also known as the Nolan Principles.

24.5.2 Building on these principles, the following general principles have been developed specifically for the role of councillor.

24.5.3 In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

24.5.4 In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

24.6 Application of the Code of Conduct

24.6.1 This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor.

24.6.2 This Code of Conduct applies to you when you are acting in your capacity as a councillor which may include when:

- you misuse your position as a councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor;

24.6.3 The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

24.6.4 You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor.

24.6.5 Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

24.7 Standards of councillor conduct

24.7.1 This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken. Guidance is included to help explain the reasons for the obligations and how they should be followed.

24.8 General Conduct

24.8.1 Respect

As a councillor:

- i. I treat other councillors and members of the public with respect.**
- ii. I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.**

24.8.2 Respect means politeness and courtesy in behaviour, speech, and in the written word.

24.8.3 Debate and having different views are all part of a healthy democracy. As a councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

24.8.3 In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors.

24.8.3 In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor-officer protocol.

24.9 Bullying, harassment and discrimination

As a councillor:

- i. I do not bully any person.**
- ii. I do not harass any person.**
- iii. I promote equalities and do not discriminate unlawfully against any person.**

24.9.1 The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

24.9.2 The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to

impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

24.9.3 Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

24.9.4 The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

24.10 Impartiality of officers of the council

As a councillor:

I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

24.10.1 Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

24.11 Confidentiality and access to information

As a councillor:

i. I do not disclose information:

a. given to me in confidence by anyone

b. acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless

- **I have received the consent of a person authorised to give it;**
- **I am required by law to do so;**
- **the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
- **the disclosure is:**
 - (i) reasonable and in the public interest; and**
 - (ii) made in good faith and in compliance with the reasonable requirements of the local authority; and**
 - (iii) I have consulted the Monitoring Officer prior to its release.**

- ii. **I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.**
- iii. **I do not prevent anyone from getting information that they are entitled to by law.**

24.11.1 Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

24.12 Disrepute

As a councillor:

I do not bring my role or local authority into disrepute.

24.12.1 As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

24.12.2 You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

24.13 Use of position

As a councillor:

I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

24.13.1 Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

24.14 Use of local authority resources and facilities

As a councillor:

- i. **I do not misuse council resources.**
- ii. **I will, when using the resources of the local authority or authorising their use by others:**

- a) **act in accordance with the local authority's requirements; and**
- b) **ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

24.14.1 You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

24.14.2 These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

24.15 Complying with the Code of Conduct

As a Councillor:

- i. **I undertake Code of Conduct training provided by my local authority.**
- ii. **I cooperate with any Code of Conduct investigation and/or determination.**
- iii. **I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.**
- iv. **I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.**

24.15.1 It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

24.15.2 Protecting your reputation and the reputation of the local authority

24.16 Interests

As a councillor:

I register and disclose my interests.

24.16.1 Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority.

24.16.2 You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

24.16.3 You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

24.16.4 Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

24.17 Gifts and hospitality

As a councillor:

- i. **I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.**
- ii. **I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.**
- iii. **I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.**

24.17.1 In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

Code of Conduct for Members – Appendix A

The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Code of Conduct for Members – Appendix B

Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in

Table 1 (Disclosable Pecuniary Interests) which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“Disclosable Pecuniary Interest” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects** –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative or close associate; or
 - c. a financial interest or wellbeing of a body included under Other Registrable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter (referred to in paragraph 8 above) **affects** the financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. [Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

25. Protocol for Member/Officer Relations

25.1 Introduction

It is important that there should be a close working relationship between a Cabinet Member and the Chief Executive, Corporate Management Board, Heads of Service and other appropriate senior officers. However, such relationships should never be allowed to become so close, or appear to be so close, that the officer's ability to deal impartially with other Members and party groups is brought into question.

It is important that dealings between Members and Officers should observe normal standards of courtesy and neither party should seek to take unfair advantage of their position.

This protocol seeks to enhance the working relationships between Members and Officers of the Council. Whilst the Protocol cannot be comprehensive it sets out guidance on some of the key issues that arise in those relationships.

The Protocol reflects the principles underlying the respective Codes of Conduct, which apply to Members and Officers and the Principles of Public Life.

The shared objective of these codes is to enhance and maintain the integrity of local government, therefore demanding very high standards of personal conduct.

25.2 Member Conduct

The Relevant Authorities (General Principles) Order 2001 sets out the general principles, which by law govern the conduct of Members. They are:

- (i) Members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.
- (ii) Members should not place themselves in situations where their honesty and integrity may be questioned, should not behave improperly and should on all occasions avoid the appearance of such behaviour.
- (iii) Members should take decisions on merit, including when making appointments, awarding contracts, or recommending individuals for rewards or benefits.
- (iv) Members should be accountable to the public for their actions and the manner in which they carry out their responsibilities and should co-operate fully and honestly with any scrutiny appropriate to their particular office.
- (v) Members should be as open as possible about their actions and those of their authority, and should be prepared to give reasons for those actions.

- (vi) Members may take account of the views of others, including their political groups but should reach their own conclusions on the issues before them and act in accordance with those conclusions.
- (vii) Members should promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their race, age, religion, gender, sexual orientation or disability. They should respect the impartiality and integrity of the Council's statutory officers, and its other employees.
- (viii) Members should uphold the law and, on all occasions, act in accordance with the trust that the public is entitled to place on them.
- (ix) Members should do whatever they are able to do to ensure that their authorities use their resources prudently and in accordance with the law.
- (x) Members should promote and support these principles by leadership and by example, and should act in a way that secures or preserves public confidence.

These are in addition to specific principles contained within the Member Code of Conduct set out within Part 5 of this Constitution.

25.3 Reports to Cabinet

In accordance with the Constitution, the Leader of the Council is responsible for the Cabinet agenda and most items submitted to Cabinet will be by and in the name of the relevant Cabinet Member. However, there will be occasions when the Chief Executive, a Corporate Management Board member, or Head of Service will need to submit a report to Cabinet (for example, by Statutory Officers in the discharge of their legal duties). In such circumstances the Officer will always be fully responsible for the contents of any report submitted in his name.

25.4. Decision Making

Decision making by the Council is closely regulated by law. The taking of a decision by the wrong person/body or in the wrong way can invalidate the decision from the beginning or leave it vulnerable to being overturned by a court at a later date.

The law does not interfere with the merits of a decision which is normally left to the discretion of the Council. The law is concerned with process and any failure to follow lawful process will be addressed by the courts, sometimes with severe consequences as to the liability of an authority to others.

All Members and senior officers must understand the parameters of the authority they exercise and recognise that acting outside those parameters leaves the authority open to legal liability and/or public criticism. For Members,

such actions are likely to amount to a breach of the Member Code of Conduct and for Officers, may lead to disciplinary proceedings.

Members in Council and/or Cabinet are responsible for deciding the policies and the budget of the Authority and, with Officer advice, may give strategic direction as to how a particular policy might be implemented.

25.4.1 Cabinet Members

Individually, Cabinet Members may take decisions in accordance with those functions delegated to them, as set out in Part 3 of this Constitution and, with Officer advice, may give strategic direction as to the implementation of those decisions.

All such decisions should be properly recorded, noting which officers have provided advice in the taking of the decision. The decision will then be published as required.

Cabinet Members should address any strategic directions to the Chief Executive, Corporate Management Board members or Heads of Service on the implication of a decision taken by them individually. It is the responsibility of the Chief Executive and these senior officers to act on instructions and to manage the implementation of policy.

Cabinet Members acting collectively or individually may take decisions on the resourcing of Council services and on the purchase of goods or services provided they are within their delegated authority and in accordance with the budget and policy agreed by Council.

The management of such allocated resources and how they will be applied is a matter for the Chief Executive, Corporate Management Board members or Heads of Service subject to any policy or budgetary constraints imposed by the Council or Cabinet.

25.4.2 Non Cabinet Members

Members (other than Cabinet Members) may raise issues with officers and make suggestions in relation to them. Subject to the rules governing access to information, officers should work with those Members to ensure they are well informed and receive feedback on issues raised. Those Members should not however expect officers to implement suggestions made. If other Members are undertaking project or other work on behalf of Cabinet Members, they must seek the Cabinet Member's formal agreement to any decision made. This includes Deputy Cabinet Members who have no authority to take decisions of any kind.

25.4.3 Officer Advice

Any Cabinet Member taking decisions individually must take advice from the relevant officer(s).

In taking Officer advice, Cabinet Members must consider what advice they require from the relevant service areas in respect of the particular issue to be addressed.

A Cabinet Member must always have the advice of the Monitoring Officer and Section 151 Officer when taking decisions.

The Cabinet Member must give officers adequate opportunity to provide them with the advice on the issue prior to them taking the decision.

Once a Cabinet Member has taken advice and made a decision, the timescales set out within the Call-in provisions (paragraph 20.15) must be followed. Upon expiry of the time-scales the decision shall be implemented by the relevant officers.

There should be no further consultation or discussions over the decision unless the officer(s) is concerned it is unlawful or in breach of existing Council policy or procedure; in such circumstances they should seek the advice of the Chief Executive and/or the Monitoring Officer.

If the Chief Executive and/or the Monitoring Officer agree that a decision is unlawful or in breach of existing Council policy or procedure, they will refer the matter back to the relevant Cabinet Member asking them to reconsider. Ultimately, and in a case of serious disagreement, the Monitoring Officer is under a legal duty to report any likely breach of the law to full Cabinet.

25.5 Chairmen of Committees

The Chairmen of Committees do not have authority to take executive decisions or direct staff, but can expect officers to work with them in discharging the Committee's business. For example the Chairman will wish to give directions concerning the agenda, actions to be taken in preparing the agenda and action to be taken as a result of committee decisions. Officers will work with the Chairman to give effect to the Chairman's requirements in this regard.

The Chairmen of Committees like other Members may not direct officers and if there is a situation where the Chairman requires something to be done and an officer is reluctant for whatever reason to undertake the necessary action then the Chairman should raise the matter with the Chief Executive, a Corporate Management Board member or relevant Head of Service.

25.6 General Provisions

Members and officers must treat each other with mutual respect. There should be no inappropriate criticism, intimidating behaviour or threatening work environment of any kind. This obligation rests with both Members and officers.

25.6.1 Officers

Officers are responsible for the management of the Authority and ensuring the implementation of agreed policies.

Where Members give strategic direction in the exercise of their delegated authority, the officer(s) directed is/are responsible for ensuring the prompt actioning of those instructions and should keep the Member updated as to progress in the carrying out of the necessary work.

Officers should always seek to assist any Members of the Council, but they may not go beyond the bounds of the authority given to them by their senior manager.

Officers should be aware of rules governing access to information set out in part 4 of the Constitution and within the operation of those rules, ensure that Members are properly informed about information to which they have a right of access. Officers should not use professional expertise to discourage or intimidate Members from pursuing lines of inquiry.

Officers must comply with the formally expressed policy of the Authority and must not allow their own personal or political opinions to interfere with their work.

If an Officer is concerned about the conduct of a Member, he should report such concern to their Head of Service, the Chief Executive or Monitoring Officer. If an officer is concerned about another officer, that concern should be referred to a relevant senior manager, not to a member, in accordance with the terms of the Whistleblowing policy.

25.6.2 Members

Members should not seek to influence officers below the level of Head of Service where this may conflict with the authority held by that officer.

Members may seek information from Officers on individual cases or matters where the law/rules governing access to information allow such information to be provided.

Members may not seek to influence officers on individual cases or matters nor may they seek to substitute their judgement for the judgement of an officer however well qualified they may otherwise be.

If a Member is concerned about the conduct of an officer, he should report such concern to the Chief Executive, a Corporate Management Board member or Head of Service.

If a Member expresses concern relating to the management of the Authority's business, the Chief Executive or relevant senior manager shall decide what action to take. It should be noted, that if the concern relates to a failing in the Officer's performance, in most cases, it will be appropriate for this to be dealt with

by means of a developmental interview between the Chief Executive/Senior Manager and the Officer concerned.

Matters relating to the creation of a post, the appointment, conditions of service and dismissal of the Chief Executive, a member of the Corporate Management Board (Tier 1 officer) and any officer directly reporting to them are matters for Council Committee, as set out in Article 8 of the Constitution.

Matters relating to the creation of a post, the appointment, conditions of service and dismissal of posts below this level are for the Chief Executive and Members may not be involved (N.B. the only exception to this is that Members will be involved with the appointment of political assistants).

Members must respect the fact that Officers act for the Council as a whole and must be politically neutral. The relationship between a Member and an officer should not be so close as to call into question the officer's political impartiality.

25.7 Officer Advice to Party Political Groups

There is statutory recognition for party groups and it is common practice for such groups to give preliminary consideration to matters of Council business in advance of such matters being considered by the relevant Council decision-making body. Officers may properly be called upon to support and contribute to such deliberations by party groups.

The support provided by officers can take many forms, ranging from a briefing meeting with a Cabinet Member or Chairman or Spokesman (either jointly or individually) prior to a meeting, to a presentation to a full party group meeting. Whilst in practice such officer support is likely to be in most demand from whichever party group is for the time being in control of the Council, such support is available to all party groups.

In providing Officer advice to Party Political groups, Members and Officers shall have regard to the following.

- (i) Officer support in these circumstances must not extend beyond providing information and advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business. The observation of this distinction will be assisted if officers are not expected to be present at meetings, or parts of meetings, when matters of party business are to be discussed.
- (ii) Whilst party group meetings form part of the preliminaries to Council decision-making, they are not empowered to make decisions on behalf of the Council. Conclusions reached at such meetings do not therefore rank as Council decisions and it is essential that they are not interpreted or acted upon as such.
- (iii) Where officers provide information and advice to a party group meeting in relation to a matter of Council business, this cannot act as a substitute for

providing all necessary information and advice to the relevant formal meeting when the matter in question is considered.

- (iv) The attendance of officers at a party group meeting does not confer on that meeting any official standing.

Special care needs to be exercised whenever officers are involved in providing information and advice to a party group meeting which includes persons who are not members of the Council. Such persons will not be bound by the Member Code of Conduct (in particular, the provisions concerning the declaration of interests and confidentiality) and for this and other reasons officers may not be able to provide the same level of information and advice as they would to a members only meeting.

Officers must respect the confidentiality of any party group discussions at which they are present in the sense that they should not relay the content of any such discussion to another party group.

Any particular cases of difficulty or uncertainty relating to officer advice to party groups should be raised with the Chief Executive who will discuss them with the relevant group leader(s).

25.8 Members Access to Information and Council Documents

Members may approach any Council Service to provide them with such information, explanation and advice (about the Service's functions) as they may reasonably need in order to assist them in discharging their role as Members of the Council. This can range from a request for general information about some aspect of a Service's activities to requests for specific information on behalf of a Constituent. Such approaches should normally be directed to the Head of Service or another Senior Officer of the Service concerned.

The legal right of Members to inspect Council documents is covered partly by statute and partly by the Common Law. These are set out in the Access to Information Procedure Rules contained within part 4 of the Constitution.

Members have a statutory right to inspect any Council document which contains material related to any business which is to be transacted at a Cabinet, Council, Committee or Sub-Committee meeting. This right applies irrespective of whether the Member is a member of the Committee or Sub-Committee concerned and extends not only to reports which are to be submitted to the meeting, but also to any relevant background papers.

This right does not, however, apply to documents related to certain items, which may appear on the private agenda for meetings. The items in question are those which contain exempt information:

- (i) relating to employees;
- (ii) occupiers of Council property;
- (iii) applicants for grants and other services;

- (iv) the care of children;
- (v) contract and industrial relations negotiations;
- (vi) advice from Counsel; and
- (vii) criminal investigations.

Members of Overview and Scrutiny Committees have additional rights of access to documents, and are entitled to a copy of any document which contains material relating to any decision that has been made by Cabinet, by an individual Cabinet Member or by an Officer in accordance with executive arrangements. Where a member of an overview and scrutiny committee requests a document the executive must provide that document no later than 10 days after the executive receives the request. This right does not extend to any entitlement to copies of documents, which contain exempt or confidential information, unless that information is relevant to an actual decision that the member is reviewing or scrutinising, or any review contained in any programme of work of an Overview and Scrutiny Committee or Sub-Committee on which that Member sits. Members of Overview and Scrutiny Committees are not entitled to a document or part of a document containing advice provided by a political adviser or assistant. Where the executive determines that a member is not entitled to a copy of a document it must provide the committee with a written statement setting out why.

The common law right of Members is much broader and is based on the principle that any member has a *prima facie* right to inspect Council documents as far as his access to the documents is reasonably necessary to enable the member properly to perform his duties as a Member of the Council. This principle is commonly referred to as the "need to know" principle.

The exercise of this common law right depends therefore upon the Member's ability to demonstrate that he has the necessary "need to know". In this respect a Member has no right to "a roving commission" to go and examine documents of the Council. A personal desire to investigate is not sufficient. In determining whether a Member has the necessary "need to know" the Chief Officer/Head of Service whose Service holds the document in question (with advice from the Monitoring Officer) shall make the determination. In the event of dispute, the question falls to be determined by the relevant committee - i.e. the committee in connection with whose functions the document is held.

In some circumstances (e.g. a committee member wishing to inspect documents relating to the functions of that committee) a member's "need to know" will normally be presumed. In other circumstances (e.g. a Member wishing to inspect documents which contain personal information about third parties) a Member will normally be expected to justify the request in specific terms and, on request, in writing.

Further and more detailed advice regarding members' rights to inspect Council documents may be obtained from the Monitoring Officer.

In accordance with the Members Code of Conduct contained within this Constitution, any Council information provided to a Member must only be used

by the Member for the purpose for which it is provided, i.e. in connection with the proper performance of the Member's duties as a Member of the Council.

Officers should ensure that they keep Members informed in relation to information regarding their division. Members are in many cases the first point of contact in the communities which they represent. It is therefore vital that County Members are informed about significant developments regarding their electoral division, before other groups and always before the press.

25.9 Support Services to Members and Party Groups

The only basis on which the Council can lawfully provide support services (e.g. stationery, typing, printing, photocopying, transport, etc.) to Members is to assist them in discharging their role as Members of the Council. Such support services must therefore only be used on Council business. They should never be used in connection with party political or campaigning activity or for private purposes or for purposes not directly related to Council business.

25.10 Correspondence

Correspondence between an individual Member and an officer should not normally be copied (by the officer) to any other Member. Where it is necessary to copy the correspondence to another Member, this should be made clear to the original Member. In other words, a system of "silent copies" should not be employed.

Official letters on behalf of the Council should normally be sent out under the name of the appropriate officer, rather than under the name of a Member. It may be appropriate in certain circumstances (e.g. representations to a Government Minister) for a letter to appear over the name of a Member, but this should be the exception rather than the norm. Letters which, for example, create obligations or give instructions on behalf of the Council should never be sent out under the name of the Member.

25.11 Involvement of Local Members

Whenever a public meeting is organised by the Council to consider a local issue, all the members representing the areas affected should, as a matter of course, be invited to attend the meeting. Similarly, whenever the Council undertakes any form of consultative exercise on a local issue, the local members should be notified at the outset of the exercise.

Such suspension shall remain in force until such time as section 80 of the Local Government Act 1972 (disqualification for election and holding office as member of a local authority) takes effect. Where an application for leave to appeal or the appeal is finally disposed of or abandoned or succeeds by reason of the prosecution determining that the conviction and/or sentence should be quashed, or reduced so as to fall outside the remit of section 80, the Council shall reimburse to the Member those

amounts of allowance suspended to be included with the next available payment date.

26.5 Loss or damage to vehicles

The Council shall not be responsible for any loss or damage to any vehicle whilst being used by a Member during the course of their duties or parked on the Council's property.

The Council shall provide limited insurance through the in house insurance fund to protect Members in certain circumstances against loss of their 'no claims bonus'. Broadly the insurance will provide payment where, as a result of using their vehicle on Approved Duties, Members have a claim or claims upon their own motor insurance and, without any fault on the part of the Member, suffer a loss of no claims bonus. The maximum amount payable to any one Member consequent upon loss of bonus arising from claims in any one year of insurance is £500.

26.6 Reimbursement of Dependent Carers costs

Reimbursement of expenditure incurred by Members

- (i) in providing child care arrangements; and/or
- (ii) on professional care for elderly, sick or dependant relatives;

to facilitate their attendance at Approved Duties of the Council is provided in accordance with Appendix 2 to this Scheme. Such payments are not covered by any special exemptions for taxation purposes. They are treated as emoluments (remuneration) of the office and will be subject to tax and national insurance accordingly.

Appendix 2 to this Scheme shall apply subject to any relevant regulations.

26.7 Part-Year Entitlements

The entitlements of a Member to allowances where, in the course of a year, this Scheme is amended or that Member becomes, or ceases to be, a Member, or accepts or relinquishes a special responsibility in respect of which a special responsibility allowance is payable shall be calculated in accordance with the proportion of the year for which the Member is eligible.

The term of office of a Member shall begin on the day on which the Member makes a declaration of acceptance of that office under Section 83(1) of the Local Government Act 1972 and shall end when they cease to be a Member.

26.8 Co-opted Members of Committees Allowances

The four Education Co-opted Members may in accordance with the provisions of this Scheme claim travelling and subsistence allowances in respect of attendance at the People and Families Policy and Scrutiny Committee and

Corporate Policy and Scrutiny Committee, or any other Approved Duty authorised by those bodies.

Any Co-Optee to the Pension Strategy Board who is not an employee, officer or member of their appointing organisation and who is not otherwise entitled to payment for time spent on the role is entitled to claim an allowance in accordance with appendix 2 with respect to time spent attending meetings of the board and for such other duties as may from time to time be formally approved by the Pension Strategy Board.

26.9 Members with a Disability

Members with a disability which restricts their ability to access some types of transport may, to the extent agreed by the Audit, Governance and Standards Committee, claim for specific travel expenses according to their needs.

26.10 National Insurance and Social Security, Statutory Sick Pay and Income Tax

Payment of allowances shall be subject to such deductions as may be statutorily required in respect of national insurance and social security and income tax and such information relating thereto as is reasonably required shall be provided on request.

In the event of sickness, Members shall provide such information as may reasonably be required to determine eligibility for statutory sick pay and shall, in any case, notify the Head of Democracy and Transparency immediately of any sickness which is likely to prevent any Approved Duty being undertaken.

26.11 Parental Leave

Members are entitled to allowances in accordance with the parental Leave policy as set out at Appendix 3. Members are asked to notify the Head of Democracy and Transparency should arrangements relating to this policy need to be made. Members are not entitled to receive a special responsibility allowance and payment under this policy at the same time.

26.12 Election to Forego

A Member may by notice in writing given to the Chief Executive elect to forego any part of his entitlement to an allowance under this Scheme.

26.13 Payments and Claims

Payment of basic allowance, special responsibility allowances, co-optees allowance and parental leave allowance shall be made in instalments of one-twelfth of the amounts specified in the schedule at Appendix 2 as appropriate (subject to paragraph 26.4) on a monthly basis. Where a payment of one-twelfth of the amount specified in this scheme in respect of a basic allowance or a special responsibility allowance would result in the Member receiving more

than the amount to which, by virtue of Appendix 2, they are entitled, the payment shall be restricted to such amount as will ensure that no more is paid than the amount to which they are entitled.

Claims for travelling and subsistence allowances should be submitted monthly via the Council's e-payroll system. Payment will be made direct to a Bank or Building Society account via BACS in accordance with the payment dates which will be notified from time to time.

Claims must be made via the e-payroll, completed in all particulars and backed up by receipts. Members must not claim any allowance unless they are satisfied that the amounts claimed are correct and the duty is an "Approved Duty" for the purpose of the payment of allowances in accordance with Appendix 1. Failure to supply receipts and appropriate detail will result in non-payment of claims. If in exceptional circumstances the necessary receipts or documentation could not be retained a written explanation to that effect should be included and payment may be made at the discretion of the Monitoring Officer or the Head of Democracy and Transparency.

All Members' claims must be checked and approved by the Monitoring Officer Head of Democracy and Transparency, or such other person as they may nominate. Claims made by Cabinet Members, the Chairman or Vice-Chairman, must also be approved by the Monitoring Officer or such other officer as the Monitoring Officer may nominate for this purpose.

Members may not make any claim for any expenses which they have not incurred themselves or which they have claimed or intend to claim from any other organisation.

Members may claim expenses only where they were incurred wholly, exclusively and necessarily in performing their duties for the Council.

A claim under this Scheme for an allowance under this scheme shall include, or be accompanied by, such statement as the council may from time to time required.

Members must make any claim for payment under this scheme promptly and in any event within four months of the date on which the duty in respect of the entitlement to the allowance arises is carried out. Claims submitted for duties undertaken more than four months previously will be rejected.

26.14 Record of Allowances Paid

A record of the payments made by the Council to each Member shall be maintained in accordance with the Local Authorities (Members' Allowances) (England) Regulations 2003 and shall be published in accordance with the Regulations and on the Council's website.

26.15 Publication of Scheme

In accordance with the Local Authorities (Members' Allowances) (England) Regulations 2003 as soon as practicable after the making or amendment of any scheme made under the Regulations arrangements shall be made for its publication within the Council's area.

26.16 Indexation of Allowances

The amount of basic allowance, special responsibility allowance and co-optee's allowance will be annually adjusted on 1 May each year (save in a year in which ordinary elections to the County Council take place when the changes shall take effect from the date upon which newly elected members take their office) in proportion with the change, since the last review, in the Public Sector Pay Index (excluding bonuses) published by the Office of National Statistics.

This clause shall cease to have effect on 11 July 2026.

26.17 Date of Scheme

This Scheme is made by the Council on 12 July 2022, with effect from 1 September 2022.

Further clarification

These allowances are intended to recognise the time devoted by Members to their work relating to the Council, including such inevitable calls on their time as meetings with constituents and political group meetings. It also covers incidental costs (such as the use of their homes, home computer and printer, postage and telephone calls including mobile 'phones) for which other provision is not made.

No claims can be made for the cost of broadband connection, or telephone bills whether they are land line, mobile or both.

Stationery

No claims can be made for the cost of printer cartridges, printer paper, envelopes, stamps, pens, files etc. or for any of these to be provided free of charge for use at home.

Travel Expenses

For travel on Approved Duties Members and co-opted Members will be reimbursed at the rates set out below.

Travel by the member's own private car at the rates set for tax allowance purposes by the Inland Revenue for business travel. Currently these are 45p per mile for the first 10,000 miles and 25p per mile thereafter. This allowance is also payable for electric vehicles at the same rate. In addition 5p per mile can be claimed for carrying a fellow Member on a business journey.

Travel by motorcycle 24p per mile

Travel by own bicycle 20p per mile.

Travel expenses will be reimbursed for relevant journeys on Approved Duties between premises as agreed for tax purposes. Travel may not be claimed for journeys within their Division other than for the purpose of attending formal meetings.

When claiming mileage for using a motor vehicle, fuel VAT receipts must be provided; the receipt(s) should show that sufficient fuel to undertake the journey(s) was purchased prior to the journey(s) taking place. However, a Member who is registered for VAT and provides a copy of the relevant VAT Certificate to the Democratic Services Team can claim mileage without receipts.

Other travel expenses

Parking fees, public transport fares will be reimbursed at cost, but only on production of a valid ticket or receipt - the cheapest available fare for the time of travel should normally be purchased.

Taxi

Taxi fares will only be reimbursed on production of a valid receipt and if use of public transport or the Member's own car, motorcycle or bicycle is impracticable.

Air and Rail

Air and rail travel other than within Essex or London should be booked in advance through officers to enable use of discounting arrangements and to ensure the most economical means of travel has been chosen for the journey. All rail travel must be Standard Class.

Air travel and travelling abroad

Air travel is permissible where:

- a journey would take five hours or more by other forms of transport;
- where such travel is cheaper than other forms of transport;
- where it avoids the need for an overnight stay.

Air travel must be economy class. Members may upgrade to business class (not first class) only if:

- the total flight time is longer than four hours;
- the journey involves an overnight flight; or
- there are no economy seats available and it is not possible to travel on an alternative day when economy seats are available.

Travel expenses will only be reimbursed if claimed within four months.

Subsistence Expenses

Approved Duties outside of the County of Essex

Subsistence can only be claimed for approved duties undertaken at locations outside of the County of Essex.

Subsistence will be paid at the same rates as those applying to officers. The rates currently applying are payable where a member is working for at least four hours including time travelling to and from the Member's normal place of residence, and which include the periods of the day specified below:

Breakfast: duty starting before 7:30am	Up to £5.00
Lunch: duty including the period 12 noon to 2:30pm	Up to £10.00
Dinner: duty ending after 8:30pm	Up to £20.00

Please note expenditure on alcohol will never be reimbursed and must not be claimed.

A valid receipt will need to accompany any claim.

Hotel accommodation should be booked through officers. Any other reasonably unavoidable costs related to overnight stays, other than subsistence, will be reimbursed on production of a receipt. Where hotel stays are necessary, hotel accommodation will be paid at the same rates applying to officers. At present these are:

Main Cities in UK (Bristol, Birmingham, Cardiff, Edinburgh, Glasgow, Leeds, Liverpool, London (including Gatwick and Heathrow), Manchester, Newcastle, Plymouth and Reading).	£150.00
Elsewhere in UK	£100.00
Foreign hotels – reasonable, but not luxury class	3 quotes

(These rates determine how much members can claim for hotels booked themselves and are a guide where hotels are booked directly by the Council).

When staying in a hotel it is permissible to claim for certain relevant necessary incidentals such as business telephone calls and faxes against receipts when the equipment provided by the Council cannot be used.

Newspapers, bar drinks, mini bar, hotel video, health and fitness and laundry facilities cannot be claimed.

Hospitality

Council funds should not normally be used for offering hospitality to third parties. If it is likely that a 'typical' member of the public would think that using Council funds to offer hospitality is inappropriate, then it probably is and should therefore not be offered.

In exceptional circumstances Members may be in a position where they are required to provide hospitality (e.g. buying lunch for the purpose of managing the reputation of the Council). The need to incur such expenses must be approved in advance by the authorising officer. In these circumstances there must be appropriate supporting information provided with the claim / P-Card which includes relevant receipts and demonstrates the authorisation given, the reasons for the need to offer hospitality, and the names of those involved (both those of the external body offered the hospitality, and any County Council officers present). It is expected that the subsistence rates would normally apply, although there may be occasions when a higher level of hospitality is appropriate. In these cases, the same rate as that applying to officers is permitted which is currently a maximum of £40 per head, including alcohol. Catering

may be provided for formal meetings with external bodies in certain circumstances, for example, if meetings take place outside of normal office hours.

It should be noted that the office of Chairman incorporates a large element of ceremonial duties which by their very nature will include an expectation of formal hospitality for which a separate budget is allocated and within which it is acceptable.

Dependents Carers' Allowances

Members with care responsibilities in respect of dependent children under 16 or dependent adults certified by a doctor or social worker as needing attendance will be reimbursed, on production of valid receipts, for reasonable actual payments to a carer while the Member is on Approved Duties.

For the purpose of this allowance, payment will be made for care provided when the member is undertaking work at home which would be an Approved Duty if it were undertaken at the Council's offices.

The rate payable is based at cost upon production of receipts. In the case of specialist care, reimbursement will be made only where supported by such evidence as the council may require that this type of care is required is necessary.

No payment will be made with respect to care provided by a carer who is a member of the claimant Member's household.

In cases of difficulty either the member concerned or an officer may refer the question to the Audit, Governance and Standards Committee for decision.

A valid receipt will need to accompany any claim.

Unavoidable Fees and Charges

Where a Member is required to register with the Information Commissioner's Office as a data controller the cost of this fee will be met by the Council.

Where a member incurs expenditure with the Disclosing and Barring Service (DBS) with respect to checks arising from requests made by the Council, that expenditure may be claimed subject to the production of evidence of payment.

Gifts and Prizes

Council funds should not be used to purchase gifts of any kind. For example, none of the following can be reclaimed through the Council's expenses system:

- Christmas or other greetings cards, other than corporate Christmas cards, which are charged directly to individual cost centres and used only for official purposes;
- Staff or Member entertaining, including Christmas lunches and other parties;

- Gifts to members of staff or other Members or ex-members of staff or ex-Members;
- Gifts, gratuities or donations of any nature to external bodies or individuals;
- Prizes to staff members or Members rewarding special work efforts or good business ideas, other than through the approved corporate scheme – the costs of which would not be met through the expenses claim system;
- Cards for those officers sitting exams, or "get well" cards;
- Leaving gifts;
- Long service awards; and
- Flowers in respect of bereavements.

Provision of valid receipts

Failure to supply receipts and appropriate detail for any expense will result in non-payment of claims.

No other Allowances are payable

Appendix 3

Parental Leave Policy for Essex County Councillors

The County Council wishes to encourage parents to be represented at all levels of politics.

The purpose of this Policy is to confirm ECC's commitment to supporting members who have or wish to have children in the future and encouraging individuals to stand for election to the Council.

Within this policy, Parental Leave refers to the period of absence for an elected member of this Council following the birth or adoption of a child, this is applicable for both mothers and fathers.

1. Attendance and leave periods

- 1.1 Section 85 of the Local Government Act 1972 requires councillors to attend at least one meeting of the Council in any six-month period.
- 1.2 Following the birth or adoption of a child, a dispensation will be put to the full Council to be given an extended leave of absence if requested.
- 1.3 Elected members will be allowed to attend any meetings of Council during this period if they wish.
- 1.4 Elected members giving birth are entitled to up to 52 weeks parental leave. This leave may be split between the parents. If either parent is in paid employment then any shared parental leave will reflect the arrangements made with the member's employer.
- 1.5 If no shared parental leave arrangement is in place then elected members shall in any event be entitled to two weeks parental leave following the birth of a child to their partner/spouse. Special and exceptional arrangements may be made in cases of premature birth.
- 1.6 If an elected Member adopts a child through an approved adoption agency, they shall be entitled to take up to 26 weeks adoption leave from the date of placement, with the option to extend up to 52 weeks by agreement if required.
- 1.7 Elected members will be provided with adequate IT equipment to allow them to work remotely whilst on parental leave and when returning to their role.
- 1.8 Any member taking parental leave should ensure that they respond to reasonable requests for information as promptly as possible, and that they keep officers and colleagues informed and updated in relation to intended dates of return and requests for extension of leave.

- 1.9 Members will not be expected to deal with constituency business during the absence. The Head of Democracy and Transparency will work with members to identify alternative arrangements, preferably via another local member agreed with the member concerned for dealing with this.

2. Allowances

- 2.1 Elected Members on Parental Leave will continue to receive their Basic Allowance without deduction.
- 2.2 Elected Members on Parental Leave will continue to receive any Special Responsibility Allowances to which they are entitled.
- 2.3 Essex County Council's Democracy Team will facilitate any arrangement to allow case work to be completed and in consultation with the individuals Group will support cover arrangements.
- 2.4 Where a member who is taking parental leave is in receipt of a special responsibility allowance this will be paid for the period of their parental leave.
- 2.5 Where a replacement member is appointed to cover the period of parental leave, that member must be formally appointed via the usual processes and will receive the special responsibility allowance on a pro rata basis for the period of the temporary appointment (subject to the rule that no member may have more than one special responsibility allowance).
- 2.6 Payment of allowance to someone on parental leave will cease if the member ceases to be a member for any reason. In addition, payment of a special responsibility allowance will stop if
- (a) There is a change in the leader of the Council and the leader appoints a permanent replacement
 - (b) The role attracting the special responsibility is abolished or ceases to attract a special responsibility allowance
 - (c) The member resigns from the role or indicates that they do not wish to return to the role.
 - (d) The member has been on parental leave for six months (unless the Council agrees to extend it in any particular case).
- 2.7 The Council's policy is that a member receiving special responsibility allowance whilst on parental leave will normally be entitled to return to the same role (or if that's not possible, a similar role) when they return from parental leave. This applies subject to the normal rules on appointments and would not apply in the circumstances set out in paragraph 2.7 (a) to (c). It is recognised that any member may be removed from any office as part of a wider reshuffle at any time.

3. Resigning from Office and Elections

- 3.1 If a Member decides that they no longer wish to be a councillor, they must notify the Head of Democracy and Transparency at the earliest possible opportunity. All allowances will cease from the effective resignation date.
- 3.2 If an election is held during the Member's maternity, paternity, shared parental or adoption leave and they are not re-elected, or decide not to stand for re-election, their basic allowance and SRA if appropriate will cease from the day on which they leave office (normally the Monday after polling day).

Appendix 4

List of Approved Bodies

Only those bodies listed below (or on the list subsequently updated and published as Appendix 4 to *The Constitution*) is deemed to be an Approved Duty.

Essex County Council will only consider a claim for mileage and expenses in connection with a member's attendance at a meeting of an Approved Body if they are unable to make the claim from the Approved Body. A member must not make more than one claim for the same attendance.

An Approved Body may be internal or external and

- is not covered by the definition of Council, Committee or Sub-Committee; and
