www.essex.gov.uk/admissions

The online application system has a number of benefits for parents and carers:

- you can access related information through links on the website to find out more about individual schools, such as home to school transport or inspection reports;
- when you have submitted your application you will receive an email confirming this;
- you will be told the outcome of your online application by email on offer day if you requested this when you applied.

You will be able to make your application online from **06 November 2023**.

The closing date for primary applications is **15 January 2024**. This is the statutory national closing date set by the Government.

Key Points to Remember

- **APPLY ON TIME** - closing date 15 January 2024.
- **Use all 4 preferences.**
- **Tell us immediately in writing (email or by letter) about any address change.**
- **If entitlement to school transport is important to you, please make sure you read and understand the 'Home to School Transport' section in the 'Primary Education in Essex 2024/2025' admissions guide and also the Education Transport policy at www.essex.gov.uk/schooltransport. School priority admission (catchment) areas are not relevant to transport eligibility. Transport is generally only provided to the nearest available school where the distance criteria is met. It is vital you carefully consider the transport implications before you make your application for a school place. If you need any further advice please contact us at educationawards@essex.gov.uk.**

The deadline for receipt of applications is **15 January 2024**.

The information contained in this booklet is correct as at the time of printing. Policies may changes in the light of decisions made by the Schools’ Adjudicator, the Education Skills and Funding Agency or any change in the law. An addendum will be available on the website and on request.

Co-ordinated admission arrangements and what they mean

The law requires a LA to co-ordinate admissions to all primary schools (except independent (fee-paying) or special schools) in their area. Primary schools includes infant schools.

Essex parents must apply for primary school places by completing the Common Application Form. This can either be completed online at **www.essex.gov.uk/admissions**, or you can use a paper application form. **Please do not do both.** Parents can express preferences for up to four schools both in and out of Essex, in the order in which they would like them considered.

On 16 April 2024, parents will be sent one offer of a place at the highest preference school that can be met. If none of the preferences can be met a place will be offered at the nearest Essex school to the child's home address with a space available. Here are some examples of this process:

Example 1 – Parent has applied for four schools and the first preference can be met:

Preference 1 – Offered

Preference 2 – Not offered – right to appeal given*

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 2 – Parent has applied for four schools and the second preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Offered

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 3 – Parent has applied to four schools and no preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Not offered – on waiting list and right to appeal given

Preference 3 – Not offered – on waiting list and right to appeal given

Preference 4 – Not offered – on waiting list and right to appeal given

Child will then be offered a place at the nearest Essex school to the home address with a space available.

* You will note from examples 1 and 2 that children are only held on waiting lists for preferences higher than the one that can be met.

On 16 April 2024 (National offer day) Essex resident families will be sent a notification of the school offer being made. This will either be an email (for those that applied online) or a letter for all other applications.

Some academy, foundation and voluntary aided schools also use that definition. Where it is different, the definition can be found under the individual school's entry.</div></div>		
Note 1 The Published Admission Number (PAN) is the number of places that the school has available for the new Reception intake In 2024. In general this will be the same as the PAN for 2023. The total number of applications received was collated on 17 April 2023. The PAN and the number of applications received for 2023 should give you an idea of the demand for places at the school. Treat this information carefully and talk to the school about it. For instance, some applications may have been second, third or fourth preferences and these increase the overall number of applications. However you should be aware that if you only apply for schools that are oversubscribed you may not receive a place at any of them.		
Note 2 Timing of Admission. As required by law with effect from September 2011, all infant and primary schools provide for the full-time admission of all children offered a place in the reception year group from the September following their fourth birthday. This means that you have the right to a full time place at the school your child is offered from September 2024. Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can also request that their child attends part-time until the child reaches compulsory school age. You would need to check with the individual school(s) what the part-time provision would be. Where parents choose to defer entry, the school may reasonably expect that the child would start at the beginning of a new school term/half term.

In the event there being more applicants than places, the Governors will have regard to the following criteria in this priority order:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. children whose home address* is in the parishes of Birch, Great & Little Wigborough, Layer Marney, Layer Breton and Salcott-cum-Virley;
3. children who have a brother, sister, stepbrother or stepsister living in the same family unit in the same family household and address, who attends the school in any year group excluding the final year;
4. children whose parents are involved** in the life of the Christian Church, of any denomination, for whom this is the nearest church school (reference may be made to their own priest or minister);
5. children whose parents, although worshipping in another faith, wish to attend a Christian school because of its specifically religious emphasis;
6. children who have medical, pastoral or social reasons for attending this school, which can be supported by professional evidence;
7. all other applications.

In each individual oversubscription criterion, priority will be determined by distance. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2024/2025 booklet.

*Home address - Applications will be processed on the basis of the home address for the child at the time of application and determination, unless, where there is a new home address, proof of an exchange of contracts or copy of a tenancy agreement can be provided by 2 February 2024. The home address is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent/carer. In some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where a child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application may be processed on the basis of that address (where the child resides for the majority of the school week) and proof of address and residence arrangement will be required with the application. The child must be living with the relative or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible).

** 'Involved' means attending worship on a minimum of 8 occasions annually for at least 2 years prior to the application.

♦ This school requires a Supplementary Information Form to be completed for consideration under criteria 4, 5 and 6. The SIF is not obligatory and is only required for the previous reasons stated

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. children with a sibling[‡] attending the school or Great Clacton CE Junior School;
3. children of school staff fulfilling a skills shortage role*;
4. all other children.

Where the number of applications exceeds the number of places available within any of the categories above, the order in which places will be allocated will be determined by reference to the distance between the child's home address and the school, with those living nearer receiving higher priority.

'Home address' is defined as "the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is the address of the parent/carer; in some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where a child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application may be processed on the basis of that address and proof of address and residence arrangement will be required with the application.

The child must be living with the relative or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible)".

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

*This option is only available for all staff with a permanent contract to work at the school (and not employees in REAch2 cluster or central teams); it will be subject to confirmation by an independent REAch2 non-executive that, on the evidence available, the member of staff is recruited to fill a post where there is a demonstrable skills shortage.

‡ LA sibling definition applies.

♦ Children will be regarded as having been in state care outside England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Applicants under this criterion will also need to fill in a Supplementary Information Form (SIF) evidencing state care outside of England. The SIF is available from the school website or school office.

Admissions Policy

There is no guarantee of a place for children living in the priority admission area.*

In the event of oversubscription any remaining places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. children with a sibling# attending the school;
3. children living in the priority admission area*;
4. remaining applications.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority.

Applications will normally be processed on the basis of the home address for the child at the time of applications, with an expectation that the child will still reside there at the time of admission. Where there is a new home address, proof of an exchange of contracts or copy of a tenancy agreement should be provided. The home address is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent. The child must be living with the parent or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from a relative or a carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases

we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child.

The school will ask applicants to provide proof of their home address. This will include a copy of the following:

- UK driving licence
- Council tax notification
- Two utility bills dated within the last 6 months (gas, electricity, water or landline phone).

The school reserves the right to take additional checking measures including further documentation and in some cases unannounced home visits.

If a school place is secured through false information regarding a home address, the school may withdraw the place offered.

#A relevant sibling is a child who has a brother, sister, adopted brother or sister, or stepbrother or stepsister living in the same family unit in the same family home and address, who attends the school with an expectation that the sibling will be attending at the time of admission. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

3. children of school staff fulfilling a skills shortage role*;
4. all other children.

Where the number of applications exceeds the number of places available within any of the categories above, the order in which places will be allocated will be determined by reference to the distance between the child's home address and the School, with those living nearer receiving higher priority.

*This option is only available for all staff with a permanent contract to work at the school (and not employees in REAch2 cluster or central teams); it will be subject to confirmation by an independent REAch2 non-executive that, on the evidence available, the member of staff is recruited to fill a post where there is a demonstrable skills shortage.

'Home address' is defined as "the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent/carer. In some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the

case where a child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application may be processed on the basis of that address and proof of address and residence arrangement will be required with the application. The child must be living with the relative or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible)".

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. where the child is currently attending Burrsville Infant Academy (this applies to September admissions to Year 3 only);
3. children of staff. Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made; and/or b) the member of staff is recruited to fill a vacant post at the school for which there is a demonstrable skill shortage;
4. children living in the priority admissions area with a sibling at the School;

6. children living outside the priority admissions area with a sibling* at the School;
7. children living outside the priority admissions area who meet the faith# criterion;
8. all other children.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance from home to school, those living closest being given the highest priority.

* Sibling means brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister, or the child of the parent/carer's partner where the child for whom admission is sought is living in the same family unit as that sibling and at the same address.

Priority Admissions Area means the geographical area from which children will be afforded priority for admission to the School. A map showing the priority admissions area is available to view on the School website. A hard copy is available at the School office.

A child living outside the priority admissions area is eligible for this category where the child or the parent or carers meets the following criteria, in order of priority.

- Regular attendance at public worship in any Church of England church, for not less than eight times in a twelve-month period prior to the date of submission of the application for admission to the school.
- Regular attendance at public worship in any other Christian church for not less than eight times in a twelve-month period prior to the date of submission to the school. For the purposes of these admission arrangements 'other Christian church' means a church which is Designated under the Ecumenical Relations Measure 2018, nationally by the Archbishops of Canterbury and York, or locally by the diocesan bishop; or which is a member of Churches Together in England; or affiliated to the Evangelical Alliance; or a Partner Church of Affinity.
- Regular attendance at public worship in any faith group which is a member of the local Council of Faiths for not less than eight times in a twelve-month period prior to the date of submission of the application for admission to the school.

Admissions Policy

When applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet) including those who appear to Holland Haven, to have been in state care outside of England and ceased to be in state care as a result of being adopted;
2. children of teaching staff, where the staff member has been employed at the school for two or more years at the time at which the application for admission to the school has been made;
3. children who, at the time of consideration, can prove that they reside in the priority admission area which comprises the political wards of St Bartholomew and Holland Haven (a map of this area is available at the school) who have a sibling[#] living in the same family unit, in the same family household and address, who will be attending the school on the date of entry;
4. children, who at the time of consideration, do not reside in the priority admission area but have a brother, sister, stepbrother or stepsister living in the same family household and address who will be attending this school on the date of entry;
5. children who, at the time of consideration, can prove that they reside in the priority admission area which comprises the political wards of St

Bartholomew and Holland Haven (a map of this area is available at the school) who do not have a brother, sister, stepbrother or stepsister living in the same family household and address who will be attending this school on the date of entry;

6. remaining applications.

Please note that should there be more applicants than spaces available in each category then priority will be given to the child who lives nearest to the school. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2024/2025 booklet.

[#] The definition of a 'sibling' includes brothers and sisters and step-brothers and sisters. In addition, biological siblings are treated as siblings irrespective of residence. The older sibling must be attending the school at the time the application is submitted for the younger child and there must be a reasonable expectation that the older child will still be at the school at the time the younger child is admitted. This would mean that sibling link would exist when the older child is in any year except the final year of the school, which for this school would be Year 6. Children residing in the same household as part of an extended family, such as cousins **will not** be treated as siblings.

If there are more applications for places than there are places available, the academy will give preference to children according to the following rules in this order of priority:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. siblings of current pupils, which, for the purposes of this policy, are defined as children living permanently at the same address as a child attending the academy and either have one or both parents in common; are related by a parent's marriage; are adopted or fostered by a common parent or are related children who live at the same address whose parents are partners;
3. children of permanent staff of the Academy Transformation Trust Academy who have been employed at the Academy where the application for admission is made for 2 years or more at the time of application OR when a member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage at the same academy;

ii) The attendance of a brother or sister at the school at the time of enrolment will increase the priority of an application within each category so that the application will be placed at the top of the category in which the application is made after children in (i).

Straight line distances are calculated by the LA as described in the Primary Education in Essex 2024/2025 booklet. In the unlikely event of two applicants with an identical distance competing for a single place at a school the place will be offered to one applicant on the basis of lots drawn by an officer of the County Council not involved in admissions.

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. children with a sibling[‡] attending the school;
3. children of school staff fulfilling a skills shortage role*;
4. all other children.

Where the admission number given above is reached part way through one of the above over-subscription criteria, the remaining places available are allocated on proximity to the school. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2024/2025 booklet.

Applications will normally be processed on the basis of the home address for the child at the time of applications, with an expectation that the child will still reside there at the time of admission. The home address is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent. In some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where a child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application may be processed on the basis of that address (where the

child resides for the majority of the school week) and proof of address and residence arrangement will be required with the application. The child must be living with the parent or carer 24 hours per day, for the majority of the school week. In all cases we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible).

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

*This option is only available for all staff with a permanent contract to work at the school (and not employees in REAch2 cluster or central teams); it will be subject to confirmation by an independent REAch2 non-executive that, on the evidence available, the member of staff is recruited to fill a post where there is a demonstrable skills shortage.

[‡] LA sibling definition applies.

♦ Children will be regarded as having been in state care outside England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Applicants under this criterion will also need to fill in a Supplementary Information Form (SIF) evidencing state care outside of England. The SIF is available from the school website or school office.

In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. children with a sibling[‡] attending the school;
3. children of school staff fulfilling a skills shortage role*;
4. all other children.

Where the number of applications exceeds the number of places available within any of the categories above, the order in which places will be allocated will be determined by reference to the distance between the child's home address (as defined by this policy) and the School, with those living nearer receiving higher priority.

[‡] LA sibling definition applies.

Home address' is defined as "the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is the address of the parent/carer; in some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where a child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application may be processed on the basis of that address and proof of address and residence arrangement will be required with the application.

The child must be living with the relative or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases we expect that the adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible)".

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

* This option is only available for all staff with a permanent contract to work at the school (and not employees in REAch2 cluster or central teams); it will be subject to confirmation by an independent REAch2 non-executive that, on the evidence available, the member of staff is recruited to fill a post where there is a demonstrable skills shortage.

♦ Children will be regarded as having been in state care outside England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Applicants under this criterion will also need to fill in a Supplementary Information Form (SIF) evidencing state care outside of England. The SIF is available from the school website or school office.

When allocating places within St Andrew's School, Weeley, the Governors will give consideration to the following, in order of priority:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. children with exceptional medical or social needs;
3. children living in the priority admissions area with a sibling* at the School;
4. other children living in the priority admissions area without a sibling* at the school;
5. children living outside the priority admissions area with a sibling* at the School;
6. children living outside the priority admissions area who meet the faith** criterion;
7. all other children.

In the event of oversubscription within any of the above criteria, priority will be determined by straight line distance with preference given to those in closest proximity to the school. Straight line distances are calculated by the LA as described in the Primary Education in Essex 2024/2025 booklet.

Medical need means where written evidence has been provided from a senior clinical medical officer or the child's general practitioner / specialist showing that the child's condition would make it detrimental to the child's health not to admit him/her to the School. This may include written evidence where the parent has a medical need and/or disability which would make it detrimental for the child to attend a different school; this may be supported by evidence of the child as a young carer.

Social Need means where the child is of confirmed refugee status. Written evidence of this must be submitted with the Supplemental Information Form and sent to the School on or before 15th January 2024.

*Sibling means brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister, or the child of the parent/carer's partner where the child for whom admission is sought is living in the same family unit as that sibling and at the same address.

Priority Admissions Area means the geographical area from which children will be afforded priority for admission to the School. A map showing the priority admissions area which includes the Ecclesiastical Parish is available to view on the School website. A hard copy is available at the School office.

**A child living outside the priority admissions area is eligible for this category where the child or the parent or carers meets the following criteria, in order of priority:

- Regular attendance at public worship in any Church of England church, for not less than eight times in a twelve month period prior to the date of submission of the application for admission to the school.
- Regular attendance at public worship in any other Christian church for not less than eight times in a twelve month period prior to the date of submission of the application for admission to the school. For the purposes of these admission arrangements 'other Christian church' means a church which is Designated under the Ecumenical Relations Measure 2018, nationally by the Archbishops of Canterbury and York, or locally by the diocesan bishop; or which is a member of Churches Together in England; or affiliated to the Evangelical Alliance; or a Partner Church of Affinity.
- Regular attendance at public worship in any faith group which is a member of the local Council of Faiths for not less than eight times in a twelve month period prior to the date of submission of the application for admission to the school.

♦ The school requires a Supplementary Information Form to be completed. The SIF must be verified and signed by the relevant Church or Faith Leader, or an authorised Church or Faith Officer.

Waiting list held until: end of academic year.
