Statement of: Zak BREDIN

Age if under 18: 18+ (if over 18 insert 'over 18') Occupation: Police Officer

This statement (consisting of 04) page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature:.......... (witness) Date: 30/08/2022

On the 29/08/2022 between the hours of 2100hrs to 0700hrs on the 30/08/2022, I was on duty with a call sign of NU43 with a colleague PC 81595 HAMMOND. We were assigned scene guard duties on operation HAZEL in Thurrock Gray's, whereby we had to guard a scene where there was a tunnel under ground. This tunnel was on the grass verge off the A1090 south facing.

Between 0330hrs and 0400hrs I was sat in my duty vehicle in the driver's seat. I then noticed the metal fencing to the left of me was moving backwards and forwards. I then looked at the tree branches behind the fence and notice that they were not moving suggesting there was no wind which could cause this movement in the metal fence. My colleague then raised the alarm that someone had breached the police cordon, I immediately exited my vehicle and proceeded down the grass verge and this is when I first saw two people within 1 or 2 meters from the covered tunnel entry. As I was going down to the suspects, I heard the male suspect say 'WE ARE HERE TO CHECK THE STRUCTURE OF THE TUNNEL' which I persevered as an indirect acknowledgment that the Male suspect and female suspect knew the tunnel was in front of them and they wished to gain access to this tunnel. I then activated my body worn video which was on buffering prior. I grabbed the male suspect and PC 81595 HAMMOND grabbed the female suspect. We moved these two suspects up the grass verge and called for further assisted over the radio. The female suspect start to preach to officers about her motivation about protecting the environment and taking action to achieve this aim. Once the Duty Sgt arrived on scene, I was advised that a section 1 Stop Search under Police and criminal evidence act 1984 needed to be conducted to search for articles which could be used in the offence of criminal damage. I Conducted the search on the male party, I noticed in the bag during the search that the male party had supplies ranging from toiletries, long lasting food, Good Supply of water and medical blankets etc but no items were found on the male suspect which could be used to commit an offence. The male then gave a name of Callum GOODE and the female gave a name of Karan WILDIN. From a brief discussion with PC 81595 HAMMOND, similar items were found in Karen WILDIN'S bag.

We then moved WILDIN & GOODE to a safe location further down the road and this is where my suspicion that these two were 'just stop oil Protestor' turned into belief. GOODE remained silent throughout, but WILDIN continued to preach to officers of her motivation to achieve change in the government's policies around energy. Of note she stated that social media and the public turned

against insulated Britain and referred to insulate Britain as 'THEM' rather than using the word 'US'. This suggested to me that both GOODE & WILDIN were 'Just Stop Oil Protestors'. WILDIN and PC 81663 GASSON were then engaging in casual conversation about laws around environmental protection. Of note in this conversation WILDIN did say that 'SHE KNOWS THE LAW AROUND ENVIRONMENTAL PROTECTION AS WE ARE ENVIRONMENTAL CAMPAIGNERS'. At this point I was of a strong belief that WILDIN & GOODE was defiantly a 'Just Stop Oil Protestor' I then ask PC 81663 GASSON if he had cautioned both WILDIN & GOODE to which he hadn't, at around 0440hrs I read the when caution to WILDIN with GOODE present and listening. WILDIN replied saying I understand, and GOODE remained silent. I said to GOODE the caution also applied to him of which he remained silent. The conversation between WILDIN and PC 81663 GASSON then came to an end.

I then Liaised with the Duty Sgt 75 BRACKETT and DS 76884 HARRISS and the decision was taken collectively that I would arrest both GOODE and WILDIN on suspicions of conspiracy to commit a public nuisance. I was made aware that both WILDIN & GOODE had been released from custody only 7 hours prior to this encounter. I conducted this arrest at 0455hrs, I went to re-read the caution to both WILDIN & GOODE however these words did not come out my mouth correctly. I had to correct myself, and I then read the when cation correctly to both GOODE and WILDIN of both GOODE and WILDIN understood. I gave them two code g's which was Prompt and Effective investigation by means of questioning in interview and to prevent further damage to property. Both GOODE and WILDIN were conveyed to GRAYS CUSTODY whereby the detention was authorised. Whist in custody WILDIN started to undress in the holding cell so the full-length photos which I will exhibit below of WILDIN is not the outer clothing which she was found in.

Circumstances of this investigation are HARDY has been detained by Police at 06:37 hours on the 23rd August 2022 at St Clements Way, Grays, Essex. At approximately 06:00 hours on the 23rd August HARDY attended St Clements way in company with nine other Just Stop Oil Direct Action Protesters. HARDY sat on the carriageway blocking all vehicular traffic. Police directed HARDY to leave and when he refused, he was arrested at approximately 06:40 hours and the road re-opened by approximately 08:00 hours. This protest disrupted vehicular traffic for 2 hours, however this protest was later identified to have been a diversionary tactic to allow 6 other Just Stop Oil Direct Action Protesters to occupy two pre-excavated tunnels. The disruption to this area would go on for another 2 weeks due to the occupied tunnels.

Arresting Officer Pc 75371 Winney. Arrest MG11 attached.

Evidential media form completed by Pc 1729 Walker, Exhibit PDW/9 attached.

Statement of: Sam WINNEY

Age if under 18: Over 18 (if over 18 insert 'over 18') Occupation: Police Constable 75271

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature:  (witness) Date: 23/08/2022

On TUESDAY 23rd AUGUST 2022 I was on duty and in company with PC HARKNETT 597, SGT BAKER 74352, PC WALSH 79401, PC HANBURY 77722 and PC READ 77189 when we were asked to attend ST.CLEMENTS WAY, GRAYS in response to reports of a group of protesters blocking the main road.

On arrival I could see that there were 10 people sat in a row across the road in high visibility tops, holding orange banners displaying "JUST STOP OIL" and I noticed that some of the group had glued their hands to the road surface.

After few minutes there was a sufficient amount of police officers on scene to be able to deal with those protesters that weren't not glued to the floor and could be moved if they refused to move themselves. I was tasked by SGT BAKER 74352 to begin a 5 step appeal to invite the protesters to move themselves from the road voluntarily, I reminded them that they were breaking the law by obstructing a highway and asked them to leave the road but nobody moved. I then said that remaining seated could make them liable for arrest and invited them again to stand up and leave the road but nobody moved. I reminded them that refusal to move from the road will mean that we can use physical force to remove them from the road and that they could lose respect from their peers if they remain seated and again nobody moved, finally I asked if there was anything if I could say or do to get them to stand up and leave the road and nobody moved therefore at 0637hours I said to the group "PLEASE CAN I HAVE ALL OF YOUR ATTENTION, YOU ARE ALL UNDER ARREST ON SUSPICION OF OBSTRUCTING A HIGHWAY, YOU DO NOT HAVE TO SAY ANYTHING BUT IT MAY HARM YOU DEFENCE IF YOU DO NOT

Signature:  Signature witnessed by:

MENTION WHEN QUESTIONED SOMETHING WHICH YOU LATER RELY ON IN COURT AND ANYTHING YOU DO SAY MAY BE GIVEN IN EVIDENCE, THE REASONS FOR YOUR ARREST ARE FOR A PROMPT AND EFFECTIVE INVESTIGATION BY MEANS OF AN INTERVIEW ALSO TO PREVENT FURTHER OBSTRUCTION TO A HIGHWAY" to which no one made any reply.

I then witnessed my colleague approach the protesters to begin moving them from the road.

I will describe those that have been arrested as follows with a counter time from my Body worn footage identifying them as such: -

- Female 1 – white female, 5ft 6in in height, slim build, dark ginger/red hair cut to shoulder length, wearing a blue top and blue cargo trousers, aged 50-60 years and carrying a blue bag – identified at 12.34

About 0608 hours on Tuesday 23rd August 2022 police were called to St Clements Way, West Thurrock, Grays, Essex to reports of a number of persons blocking the carriageway.

Upon arrival police found 10 protesters from the 'Just Stop Oil' campaign. 8 were already sitting in the carriageway and there were also 2 pedal cycles laying in the carriageway. One of these protesters was Christopher Hardy.

Upon examination it was found that 4 of the protesters had glued one of their hands to the road surface. Christopher Hardy was not one of these persons.

Christopher Hardy offered only passive resistance and had to be physically lifted to his feet but then walked to the side of the carriageway and on to the pavement.

Along with the other 9 protesters, Christopher Hardy had been arrested on suspicion of causing an obstruction of the highway before his removal from the carriageway.

Final protester was removed from the carriageway at about 0802 hours.

The image here is an image of Christopher Hardy obtained during the custody procedure where he was allocated the custody reference number 42CY/2490/22.

42/MR/17877/22 intentionally / recklessly cause a public nuisance.

Circumstances of this investigation are HOWLETT has been detained by Police at 15:45 hours on the 4th September 2022 on St Clements Way, Grays, Essex. On the morning of the 23rd August 2022 HOWLETT and five other Just Stop Oil direct action protesters occupied two pre-excavated tunnels. One on St Clements way and the other on Stoneness Road. HOWLETT and two others occupied Tunnel 1 on St Clements Way, the tunnels were constructed in a way that the entire road had to be closed initially preventing all vehicular traffic entering the industrial estate that could only be accessed by these two roads. St Clements way was partly opened to a limited amount of traffic controlled by temporary traffic light contraflow system. Police negotiators worked for 12 days to encourage the group to leave without success. HOWLETT was arrested on the 4th September when negotiations succeeded and HOWLETT left the tunnel he had occupied.

I confirm that today Sunday 4th September 2022 I was working in full uniform in company with PC 78024 Green PC 77189 Read PC 451 Cornwell and SGT 72436 Wigginton in a fully marked police vehicle VG2A and was deployed to ST CLEMENTS WAY GRAYS to assist with a road closure where protestors from just stop oil had dug a tunnel under the road.

At about 15:00hrs I was briefed by SGT Wigginton who explained that there were three protestors inside the tunnel and that they were due to come out soon, as a result I waited near the hole that had been dug and waited for further instructions. At 15:45 hrs one of the protestors came out of the hole and at this time I arrested him for criminal damage and also recklessly or intentionally causing a public nuisance, I cautioned him to which he made no reply and then explained that the arrest was for the prompt and effective investigation and to prevent contact with co-suspects. I placed handcuffs on the male in the rear stack position and double locked them to prevent his escape and for officer safety, as we were on uneven ground. I then walked the male, who I now know as Joe HOWLETT to a nearby ambulance and searched him to which I found nothing significant, however did not that there was a mobile phone in his right shorts pocket. Now that we were on flat ground, and I had searched HOWLETT I moved the cuffs to the front stack position and double locked them.

HOWLETT was then conveyed to Grays custody where we arrived at 16:20 hrs and his detention was authorised later. Whilst in custody I seized a mobile phone from HOWLETT, Samsung Mobile Phone at 18:00 MJP/1 and later booked this into the property system BD/031715/22. I also took full length photos of HOWLETT which I produce as MJP/2.

At 18:00hrs I was on duty in full Police uniform and part of OPERATION HAZEL, a deployment into GREYS, ESSEX, to Police the "Just Stop Oil" protesters who had infiltrated the location and dug tunnels beneath a road. At this time I was using call sign "HAZEL 3".

Around 19:30hrs I heard via my radio that several protesters had attempted the tunnel location on St Clements Way, Grays. Upon arrival I witnessed 3 females attempt to glue themselves to the road however, were prevented from doing so by officers from my carrier.

As these females had been detained I walked from this area of St Clements Way, junction with London Rd, towards Olivers Road. In this location several other "JSC" protesters had been detained by officers however there was one male who wasn't and was sat on top of a fuel tanker bearing the index of DET1 HVG. This male was around 25 years old, weedy, dark rimmed glasses. He had messy, light brown hair and a messy, light brown beard. He was wearing a mustard coloured hooded top, a black trousers. I now know this male as being John Jordan.

I recognized JORDAN from visiting the "Just Stop Oil" Twitter page, in which he featured on 23/08/22, in a tunnel in WARWICKSHIRE.

I initiated in conversation with JORDAN who was calling himself "SEAN".

He said words to the effect of "I'M UP HERE TO SAVE THE LIVES OF MY FRIENDS AS ESSEX POLICE REFUSE TO SHUT THE ROAD. I'LL ONLY COME DOWN ONCE I HAVE REASSURANCE THAT THIS ROAD WILL REMAIN SHUT." At this point he openly showed me a tube of glue.

I then spoke to the driver of the tanker who told me that he was carrying around 40,000 litres of fuel.

Members of the public and workers from Wilby Olives Road, who had finished work but were prevented from leaving the area due to the road closures, started surrounding the cab of the tanker and were shouting abuse to JORDAN, voicing their displeasure with the situation and pleading with him to come down. This fell on deaf ears and JORDAN refused to come down.

Around 23:40hrs, officers from PRT - working from night team attended and no sooner had they made contact with JORDAN, he glued his right hand to the top of the cab of the tanker.

The PRT were also de-bred trained so removed him from the cab with relative ease.

At ~~00:30hrs~~^{00:30hrs} officers handed me a burn bag and a bottle of water that was taken from JORDAN.

I searched this dum bag which contained foil blankets, pair of glasses, his passport, bank card, battery pack, immediate tablets and tobacco. I was also handed a used tube of super-glue, also taken from Jordan. I seized the latter as soft and sealed it into evidence bag M28881234.

At 00:30hrs, once Jordan had been safely removed from the tanker, I said to him, "John, you are now under arrest for tampering with a motor vehicle". I then cautioned him to which he made no reply. I went on to say "THE NECESSITY FOR THE ARREST IS TO PREVENT FURTHER OBSTRUCTION OF THE HIGHWAY, TO ASCERTAIN DETAILS AND TO PREVENT DISAPPEARANCE."

I then conveyed Jordan to Gray's custody where his detention was authorised by the custody sergeant.

The tractor unit can be seen to be displaying the registration DE71HVG. John Jordan can just be seen at the top of the image underneath the date/time information.</p> 

19:47:33

This image shows John Jordan on the top of the tractor unit of the Tesco fuel tanker, registration DE71HVG, whose driver had been forced to stop the vehicle in the road due to the actions of the protesters. In the background behind this vehicle can be seen another fuel tanker and a private vehicle whose drivers had been prevented from continuing their journeys due to the actions of the protesters.

19:49:32

John Jordan can be seen on the top of DE71HVG and in this image he is seen using his mobile phone and appears to be videoing himself as he can be heard to be talking but the volume level makes his comments inaudible. In the background the headlights of more vehicles whose drivers have been forced to discontinue their journeys can be seen as they join the line of stationary vehicles.

19:51:08
to
19:51:54

Another police officer joins PC77545 Moore (from other footage recorded later this is identified to be PC71784 Owen). PC71784 Owen informs PC77545 Moore that he recognises John Jordan as a person who had recently come out of a tunnel on another nearby road.
PC71784 Owen calls up to John Jordan saying "YOU'VE JUST GOT OUT OF A HOLE HAVEN'T YOU".
John Jordan "UH".
PC71784 Owen "YOU GOT OUT OF A HOLE AND ON TOP OF A TRUCK".
John Jordan "I DID. I CAME TO SAVE THE PEOPLE HERE BECAUSE THE COUNCIL AND THE POLICE DECIDED THAT ALLOWING PEOPLE IN HEAVY GOODS VEHICLES TO DRIVE OVER AN UNSUPPORTED TUNNEL WAS A GOOD IDEA".
PC71784 Owen "WHEN DID YOU GET OUT OF YOUR HOLE".
John Jordan "I DON'T KNOW, BUT YOU CAN CHECK MY RECORD (*inaudible*)".
PC71784 Owen "WELL COME DOWN THEN AND WE'LL DO THAT".
John Jordan "I WOULD BUT UNFORTUNATELY THE COUNCIL DOESN'T BELIEVE THAT (*inaudible*) WHAT HAPPENS NOW SO (*inaudible*)".
PC71784 Owen "WHAT'S YOUR NAME YOUNG MAN".
John Jordan "YOU CAN CALL ME SHAUN". He makes some comments about the name that he has supplied but they are largely inaudible.

19:52:50	<p>John Jordan again appears to be videoing himself using his mobile phone. As previously he can be heard to be talking but the volume is again at such a level that his comments are inaudible.</p>  <p>2022-08-28 19:52:50 +0100 AXON BODY 3 X6040568W</p>
19:53:03	<p>John Jordan continues to appear to be videoing himself using his mobile phone which has been continuous since the previous entry with the volume of his comments making them inaudible. In this image a number of driver's that have been prevented from continuing their journeys can be seen gathered in the road behind the fuel tanker upon which John Jordan has climbed. It can also be seen that there now appears to be three fuel tankers in the visible queue along with private motor vehicles.</p>  <p>2022-08-28 19:53:03 +0100 AXON BODY 3 X6040568W</p>

<p>19:56:39 to 19:58:20</p>	<p>John Jordan engages in a conversation with both PC77545 Moore and PC71784 Owen however a large amount of what he says is inaudible, but the odd comments can be heard.</p> <p>John Jordan "AS A POLICE OFFICER ITS YOUR JOB TO <i>(inaudible)</i> CAUSING HARM. YES".</p> <p>PC71784 OWEN "TO A DEGREE, YES".</p> <p>John Jordan "DO YOU THINK A SEVENTY <i>(inaudible)</i> TANKER LANDING ON SOMEONE'S HEAD WOULD CAUSE HARM".</p> <p>PC77545 Moore "AND ALSO EXPERTS HAVE COME OUT AND SCANNED THE GROUND AND THEY'RE MORE THAN HAPPY THAT IT'S FINE TO BE OPEN".</p> <p>John Jordan makes a comment but it is inaudible.</p> <p>PC77545 Moore "WELL I'LL TAKE EXPERTS OPINION OVER PEOPLE".</p> <p>John Jordan interrupts "<i>(inaudible)</i> TONNAGE OF SOIL <i>(inaudible)</i>".</p> <p>PC77545 Moore "NO, NO, IT'S BEEN SCANNED".</p> <p>John Jordan "<i>(inaudible)</i> IT OUGTA BE CLOSED".</p> <p>PC77545 Moore "I RESPECTFULLY DISAGREE WITH YOU".</p> <p>John Jordan "THAT'S WHY I'M HERE".</p> <p>PC71784 Owen "<i>(inaudible)</i> WHAT WILL GET YOU DOWN SHAUN, WHAT'S THE, WHAT'S THE, I KNOW WHAT THE ULTIMATE END GAME IS".</p> <p>John Jordan "<i>(inaudible)</i> TODAY <i>(inaudible)</i> SAFE <i>(inaudible)</i> TOADY I'M SAVING MY FRIENDS".</p> <p>John Jordan then returns to interacting with his mobile phone.</p>
<p>20:00:33 to 20:07:00</p>	<p>One of the drivers at the rear of the fuel tanker calls out "MIGHT BE A GOOD IDEA MATE NOT TO USE YOUR PHONE ON TOP OF THERE. <i>(inaudible)</i> COULD GO BANG".</p> <p>John Jordan "YER, I'M REALISING THAT"</p> <p>Driver "UH".</p> <p>John Jordan "I'M REALISING THAT".</p> <p>Driver "YOU REALISE THAT".</p> <p>John Jordan "I'M REALISING THAT".</p> <p>Driver "YOU REALISE THAT".</p> <p>John Jordan "<i>(inaudible)</i> JUST SO YOU'RE AWARE THE REASON I'M ACTUALLY DOING THIS, THERE'S CURRENTLY TUNNELERS GOING UNDERNEATH THE ROAD THAT HAVE BEEN THERE FOR WEEKS. THE POLICE HAVE BEEN MADE AWARE OF THEIR PRESENCE AND HAVE CONTINUED TO ALLOW YOUR DRIVERS TO KEEP GOING ON THERE. IF ONE OF THOSE VEHICLES COLLAPSES A SINK HOLE AND YOUR DRIVERS GOING TO DIE TO".</p> <p>During the conversation the driver walked up to the fuel tankers tractor unit.</p> <p>Driver "SO WHY DON'T THEY COME OUT THE TUNNEL THEN. PROVED THE POINT AIN'T YOU".</p> <p>John Jordan "NOT REALLY NO".</p> <p>Driver "THE OTHER END OF THE ROAD'S SHUT <i>(inaudible)</i> CO-OP, AMAZON A LOT OF PEOPLE WHO WORK ROUND HERE. LIKE THERE'S NO WAY IN OR WAY OUT IS THERE FOR PEOPLE".</p> <p>John Jordan makes a number of political statements and then "PRE-WARNED AND OBVIOUSLY AT THIS STAGE NOW DRIVERS ARE IN DANGER. WE'LL GET BLAMED IF THE ROADS COLLAPSE. IT'S MY FRIENDS DOWN THERE. IF THESE TUNNELS COLLAPSE, THEY'LL BLAME US. WE'LL GET RUN IN FOR GROSS NEGLIGENCE, HOMICIDE AND WHATEVER ELSE THEY WANT TO THROW AT US, ALL BECAUSE THEY REFUSE TO CLOSE THE ROADS. SO I'M NOT WILLING TO PUT YOUR DRIVERS AT RISK, I'M NOT WILLING TO PUT OTHER WORKERS AT RISK, NOT WILLING TO PUT POLICE OFFICERS AT RISK, THAT'S WHY I'M HERE. I WAS ACTUALLY OVER THE ROAD AT A DIFFERENT TUNNEL WHERE THE POLICE DID THE SAME THING. WE DIDN'T HAVE THE MANPOWER SO WE ABANDONED THOSE TUNNELS <i>(inaudible)</i> IT WASN'T SAFE SO WE ALLOWED THE POLICE TO FILL THEM IN. SO WE VOLUNTARILY CAME OUT".</p> <p>The driver and John Jordan then have a discussion over him having a 'proper' job and the affects on him (John Jordan) getting a criminal record. John Jordan's response to this is inaudible. John Jordan goes on</p>

to make political and environmental comments.

By this time a number of other drivers had walked up to where this conversation was going on. One of these other drivers then says "SO YOU THINK WHAT YOU ARE DOING IS ACTUALLY HELPING THE WORLD".

John Jordan's response is inaudible.

Other driver "SO YOU THINK YOU'RE HELPING THE WORLD SITTING UP THERE".

John Jordan "CURRENTLY MY MAIN CONCERN IS YOUR DRIVERS AND MY TUNNELERS DOWN BENEATH. THE REASON I'M DOING THIS IS".

A number of other drivers then make various comments and there is a lot of overtalking of each other which makes the conversation inaudible.

20:08:36
to
20:19:18

Despite the earlier conversation with one of the drivers in relation to safety issues around using his mobile phone whilst on the top of the fuel tanker, John Jordan continues to interact with his mobile phone including making phone calls and possible videos.
The volume at which John Jordan speaks in any phone calls or videos is such that the BWV does not pick it up and although he can be heard to be talking the content of the communications is inaudible.

20:40:09	<p>After finishing one of his telephone communications John Jordan appears to use his mobile phone as if signalling someone by flashing the light on the mobile phone on and off a number of times.</p> 
20:55:30	<p>PC77545 Moore walks along St Clements Way to a point between the fuel tanker, upon which John Jordan had climbed, and the next vehicle back along the road whose driver had been forced to stop as the protesters had abandoned their pedal cycles in the road.</p> 

21:00:14	<p>John Jordan continues to make what appear to be videos whilst he sits on the top of the tractor unit of the fuel tanker. The conversation remains at a level that the BWV cannot pick up the content of the communication, but he can be heard to be talking.</p> 
21:33:05	<p>During a radio communication PC77545 Moore states "I HAVE DEFINITELY SEEN GLUE".</p>
21:34:54	<p>Drivers of some of the vehicles that had been prevented from using the road and were now walking past the fuel tanker verbally vent their frustration towards John Jordan about what he was doing. He does respond but this is inaudible.</p> <p>Three of these drivers can be seen along the bottom of this image.</p> 
21:38:50	<p>Drivers verbally express their frustration to PC77545 Moore about what the protesters had done and that this situation was still going on over two hours after it had started.</p>

21:57:02
to
21:59:13

A number of the frustrated drivers are now stood around the front of the fuel tanker involved in conversation with John Jordan.

Whilst appearing to justify his actions to the frustrated drivers (most of which is inaudible) John Jordan says "WE DUG THE TUNNELS (*inaudible*) WE CALLED THE POLICE, WE TOLD THEM WHERE WE WERE AND WHAT WE WERE DOING (*inaudible*)".

PC77545 Moore "SO OUT OF INTEREST WHY ARE YOUR FRIENDS NOT COMING OUT IF THEY'RE THAT CONCERNED FOR THEIR OWN SAFETY".

John Jordan "COZ IT DOESN'T STOP THE SITUATION (*inaudible*)".

PC77545 Moore "IF THEY COME OUT OF THE TUNNEL WE CAN FILL IN THE TUNNEL IF THAT'S YOUR WORRY. WHY WON'T THEY DO THAT.

Most of John Jordans response is inaudible apart from "WE ABANDONED ONE'S UP NORTH (*inaudible*) AND THERE WERE STILL VEHICLES DRIVING OVER EVEN THOUGH WE WERE OUT OF IT".

PC77545 Moore "YER COZ IT GETS FILLED IN. IT GETS FILLED IN RIGHT AWAY".

John Jordan "I'VE BEEN IN A TUNNEL MYSELF".

PC77545 MOORE "SO YOU'RE AVOIDING THE QUESTION COZ YOU KNOW IF YOUR FRIENDS COME OUT IT GETS FILLED IN".

John Jordan "WHEN I COME OUT I SEEN VEHICLES STILL COMING PAST (*inaudible*). YOU TELL ME, YOU SECURE FOR ME, YOU SECURE FOR ME THAT YOU WILL BLOCK THE ROAD FOR THE NEXT TWELVE HOURS TO SECURE AND DO A PROPER INVESTIGATION UNDER THAT TUNNEL BEFORE YOU FILL IT IN, I WILL GET OFF THIS TANKER. I TELL YOU WHAT YOU'RE BLAMING ME. YOU GO, GET THAT SECURED, YOU GET TWELVE HOURS (*inaudible*) DO A PROPER INVESTIGATION AND A PROPER ONE. NOT ONE THAT JUST MEASURES THE AMOUNT OF DIRT OUTSIDE THE HOLE. I WILL GET DOWN".

22:00:31

PC77545 Moore turns off his BWV as he walks away from the scene having been replaced by PC71784 Owen.

PC71784 Owen "ULTIMATELY THAT THE, RIGHT, OK".
PC71784 Owen then walks away from this scene and returns to the other scene on St Clements Way at the junction with London Road.

20:01:18	<p>As PC71784 Owen walks back along St Clements Way his BWV captures a number of parked vehicles whose drivers had been prevented from continuing their journeys due to the actions of the protesters. 20:02:48	<p>PC71784 Owen is approached by a male who states that he works for the Daily Mail and that he handles the distribution of the newspaper for the whole country. He checks the situation and what access he may be able to have to his workplace as it may have implications for his job and employees. He states that if he is not able to get his vehicles in and out of his depot then he is going to have to make arrangements to move 'copy' to other print centres and re-route his drivers.</p>

00:18:52	<p>As the PRT officers prepare to place John Jordan on a stretcher to be able to lower him safely from the roof of the tractor unit they call him 'Shaun'. PC71784 Owen calls up and corrects them that his 'real name is John'.</p>

00:32:43	<p>PC71784 Owen provides the necessity to arrest information to which John Jordan replies "I STILL HIGHLY RECOMMEND THAT YOU KEEP THE ROAD CLOSED AS THERE'S TUNNELS UNDERNEATH AND YOU'RE ENDANGERING THEIR LIVES". 00:35:17

As PC71784 Owen drives along St Clements Way on his way to Grays Police Station he passes a number of vehicles that had been parked up since about 1930 hours due to being unable to use the road.

to
00:36:15

As PC71784 Owen drives along London Road on his way to Grays Police Station he passes a large number of heavy goods vehicles and private motor vehicles that are parked along the road and joining side streets, and which have been prevented from using St Clements Way. It takes him about 30 seconds to drive past all of these vehicles.

<p>00:36:15 to 00:50:21</p>	<p>During the journey to Grays Police Station there is general conversation between PC71784 Owen and John Jordan. A lot of this is however inaudible due to road noise. John Jordan does make reference to 'injunctions' and a previous court appearance but it is only the odd word that can be made out. During the conversation John Jordan states that he originally comes from the Republic of Ireland. John Jordan arrives at Grays Police Station at around 00:50 hours.</p>  <p>2022-08-29 00:50:21 +0100 AXON BODY 3 X6040917N</p>
<p>00:52:00 to 00:56:17</p>	<p>John Jordan is seated in the holding area of Grays Police Stations Custody Suite where at 00:53:00 he says "I'VE STILL GOT GLUE ON MY HANDS".</p>  <p>2022-08-29 00:52:00 +0100 AXON BODY 3 X6040917N</p>

00:56:17	<p>John Jordan has been taken through to the custody suite and is placed before one of the detention officers carrying out the custody booking in process. However before the process is begun he is taken through to one of the cells so that he can use the toilet after he expresses a need to use the toilet. Whilst in the cell the previously mentioned 'piss bag' is removed.</p> 
00:59:20	<p>John Jordan returns to the custody desk where the booking in process is commenced. During this process the offence for which he has been arrested along with the circumstances and reason for the arrest are provided to the detention officer.</p> <p>Part of the circumstances that were provided were that having climbed on top of the fuel tanker he had refused to climb down until the road was closed for the safety of his friends in the tunnel. He then said "AND THE HEAVY GOOD VEHICLE DRIVERS AND THE POLICE".</p> 
01:02:38	<p>In response to a question from the Custody Sergeant as to whether John Jordan had attached himself to the vehicle PC71784 Owen explained that when the PRT had arrived John Jordan had glued one of his hands to the roof of the vehicle.</p>

01:03:03	<p>The Custody Sergeant asks John Jordan what his first name was, and he replies "UH, MY LEGAL NAME IS JOHN JORDAN BUT I PREFER TO BE CALLED SHAUN".</p> <p>As the Custody Sergeant goes through the circumstances John Jordan says "I'M NOT DENYING HAVING DONE IT. I'VE DONE IT BECAUSE OF A TUNNEL UNDER THE ROAD".</p> <p>The Custody Sergeant explains that this was not the time or place for him to make comment on the matter.</p> <p>John Jordan says "I'M JUST MAKING YOU'SE FULLY AWARE THAT THE TUNNEL THAT IS UNDER THAT ROAD". What he says then becomes inaudible as PC71784 Owen moves away from the custody desk to talk with another police officer.</p> <p>The BWV does then pick up John Jordan saying "USUALLY I WOULD SAY NO COMMENT AND WAIT FOR</p>  <p>MY DAY IN COURT BUT PEOPLE WILL DIE (<i>inaudible</i>)".</p> <p>PC71784 Owen then leaves the custody area.</p>
01:05:07	PC71794 Owen turns off his BWV.

Police were already present on St Clements Way, West Thurrock, Grays, Essex when four protesters from the 'Just Stop Oil' campaign took action that caused an obstruction of the highway by dropping the bicycles they were riding on the road and thereby obstructing the passage of traffic. One protester climbed up onto the cab of a fuel tanker, this being John Jordan, whilst another attempted to use a drill to puncture one of the fuel tankers rear tyres.

The protesters action has commenced at about 1930 hours on 28/08/2022 and the final protester, who was John Jordan was removed at about 0030 hours on 29/08/2022 after having glued himself to the roof of the tractor unit. The road had therefore been obstructed and closed to vehicular traffic for about 5 hours, although the closure continued for a short while after removal of the last protester whilst the specialist police officers that had to be brought in to remove John Jordan cleared their equipment away.

St Clements Way forms part of a 'horseshoe' along with Stoneness Road that gives access to an industrial estate which amongst other businesses contains a fuel storage facility. These two roads are the only way in and out of the industrial estate. Due to protester action that had started a few days earlier, and was still ongoing at the time of this incident, Stoneness Road was closed to all vehicular traffic making St Clements Way the only way in and out of the industrial estate. During this incident not only were the drivers of fuel tankers prevented from going about their business but other members of the public were prevented from travelling into work or travelling home from work during the period of the road closure.

The image here is an image of John Jordan obtained during the custody procedure where he was allocated the custody reference number 42BZ/2538/22.

Statement of: Jack DODD

Age if under 18: OVER 18 (if over 18 insert 'over 18') Occupation: Police Constable 78431

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

On SUNDAY the 28th of AUGUST 2022 I was on duty in full Police uniform. I am attached to the call-sign NN359 but was then allocated the call-sign HAZEL 12. I was in company with APS 77883 GUNSHON and PC 81860 NICHOLLS.

I was attached to OP HAZEL and was on a scene guard on ST CLEMENTS WAY in GRAYS. This was a tunnel that was occupied by two people. The tunnel was approximately 5 metres away from the road, the other side of a crash barrier. The side of the road nearest to the tunnel had been closed, leaving a single carriageway with traffic been controlled by a set of temporary traffic lights. There was also a marked Police unit at the end of the road stopping vehicles to make sure that only those with a genuine purpose used the road.

I had been involved in the operation a number of times earlier in the year and was therefore aware of the background of the situation and the behaviours of those involved.

Sometime after 1930 hours a large lorry with a fuel container, traveling from left to right as I looked at the road, stopped and was shouting to get our attention. The driver was shouting something to the effect of: "THERE ARE PEOPLE COMING ON BIKES, THEY'RE DEFINATELY PROTESTERS." I then saw two females, both on bikes approaching the lorry from the front. They left their bikes in the road and started running towards the lorry. The lorry tried to reverse away. One of the females was shouting "STOP."

APS GUNSHON AND PC NICHOLLS jumped over the barrier and ran towards the females. I hesitated by the scene as I was aware that we were leaving it unmanned. I remained by the barrier, so I had view of the tunnel. PC NICHOLLS took hold of the lady who was shouting "STOP" at the carriage. I would describe her as a white female, appearing to me to be in her mid-50's, she was approximately 5'10 tall, of slim to medium build. She had short dark hair that had some sort of bandana holding it back and was wearing black shorts and a light-coloured top. She had a light blue rucksack. She did not give her details whilst on scene, but I now know this to be Karen WILDIN.

PC NICHOLS walked in my direction holding WILDIN. As they approached, I told her that I was detaining her under Section 1 of PACE to search her for items used to caused Criminal Damage. I suspected that she may have these items given her behaviour, the location, the fact she had a rucksack on, and my knowledge and experience having been involved in the operation numerous times previously. I took control of WILDIN and explained the necessary information in order to detain her for the search. PC NICHOLLS searched her rucksack. Inside he told me was a large 'JUST STOP OIL' poster. This information was relayed to the talk group. Given the clothing that she was wearing I looked to see if I could see any signs of anything being on her person but did not physically search her.

Given WILDIN'S behaviour 1941 hours I placed her under arrest. I said: "YOU ARE CURRENTLY UNDER ARREST ON SUSPICION OF CAUSING DANGER TO ROAD USERS" and said the section of the Road Traffic Act, Section 22A. I then cautioned WILDIN. As I was cautioning WILDIN she was protesting stating that it was us that were endangering the public, by not allowing her to protest. I explained her arrest was necessary to prevent harm and to prevent her disappearance. It was also necessary to ensure a prompt and effective investigation by means of interview.

I waited with WILDIN and later was taken to a Police carrier and conveyed WILDIN to GRAYS CUSTODY.

At custody I was present as PC 81307 DEVINE searched WILDIN and her bag. In the rucksack WILDIN found a small tube of what I believe to be super glue. It was marked "ULTRA GLUE". Given my experience and knowledge of the operation I suspected that WILDIN had this in her

possession to glue herself or other objects to the tanker that she had been running at. Given this, at 2240 hours I further arrested WILDIN, stating words to the effect of: "I AM FURTHER ARRESTING YOU ON SUSPICION OF GOING EQUIPED WITH ITEMS TO CAUSE CRIMINAL DAMAGE." I then repeated the caution and stated that her arrest was necessary so that she could be interviewed and to prevent any damage.

At the custody desk PC DEVINE asked WILDIN if she would be willing to give us the password to her mobile phone. She said no. I then noticed that I did not have my Body Worn active at this time and turned it back on, repeating the question, to which WILIDN stated: "NO COMMENT." I understood this as a refusal. My Body Worn video was active during the initial incident.

PC78431 Dodd informs Caren Wildin that a search is going to be conducted under Section 1 of PACE and but the sound on the BWV only activates part way through this.

PC78431 Dodd "... UNDER SECTION 1 OF PACE FOR ITEMS (*inaudible*) CRIMINAL DAMAGE" and he then identifies himself and his station and goes on to say "THE REASON I'M SEARCHING YOU IS COZ I BELIEVE YOU MIGHT HAVE ITEMS ON YOU THAT WILL CAUSE CRIMINAL DAMAGE". He then informs her that she can get a copy of the search record within 3 months. Carin Wildin then asks him for his name and he again provides his name and warrant number.

Caren Wildin then asks "WHAT'S YOUR VIEW ON THE CLIMATE EMERGENCY".

PC78431 Dodd responds by saying "PARDON".

Caren Wildin then again asks "WHAT'S YOUR VIEW ON THE CLIMATE EMERGENCY.

PC78431 Dodd replies by saying "I'M NOT GOING TO DISCUSS (*inaudible*)". PC78431 Dodd's full response is inaudible due to Caren Wildin overtalking him and she goes on to make a general statement about climate control.

WHEN YOU'RE STANDING IN FRONT OF LIKE GOD KNOWS WHAT TONNE LORRIES IT'S GONNA BE SCARY IN'IT". Caren Wildin "IT'S A BIT SCARY YER". <p>19:38:55</p>	<p>PC81860 Nicholls removes a 'Just Stop Oil' banner from the rucksack of Caren Wildin to which she says "CAN I HOLD IT PLEASE WITH PRIDE". PC78431 Dodd "THERE'S NO ONE AROUND TO SEE IT IS THERE" Caren Wildin "ALL THE MEDIA WILL BE COMING SOON". She is not given the banner.</p> 

<p>19:39:12 to 19:39:30</p>	<p>Caren Wildin looks over the fence to where the undergrowth has been cleared around the entrance to the tunnel at the side of the road and she says "SO WHAT'S HAPPENING HERE THEN". Caren Wildin then shouts out "SENDING LOVE". There is a voice from off camera and most likely from inside the tunnel but the words are inaudible to which Caren Wildin responds by again shouting "SENDING LOVE" followed by "HEY BEAUTIFUL PEOPLE".</p>

20:17:05	<p>Caren Wildin again asks what she has been arrested for and is again told ‘causing a danger to road users’. She asks to get a drink of water from her rucksack, but it is explained that as we do not know what is in the bottle this cannot be allowed.</p>

I'M REPORTING A CRIME THAT NO ONE IS PROTECTING THE PEOPLE GOING OVER IT AND THE PEOPLE UNDERNEATH IT BY KEEPING THE ROAD OPEN. ARE YOU GOING TO PASS THAT MESSAGE ON".</p> <p>PC78431 Dodd "I THINK ITS ALREADY BEEN RESPONDED TO BY THE CHIEF OFFICERS".</p> <p>Caren Wildin "WHAT ALREADY. ARE THEY, OK ARE THEY GONNA CLOSE THE ROAD.</p> <p>PC78431 Dodd "NO I MEAN I THINK WE'VE ALREADY MADE A STATEMENT ABOUT THAT".</p> <p>Caren Wildin "WHAT TONIGHT OR BEFORE THEN".</p> <p>PC78431 Dodd "BEFORE".</p> <p>Caren Wildin "BEFORE, OK, SO WHY WAS THE ROAD, YOU KNOW THERE WAS, WHEN I ARRIVED THERE WAS STILL TRANSPORT COMING OVER THIS ROAD. ALRIGHT WHY DO YOU THINK WE ARE EAGER TO STOP THESE BIG HEAVY TANKERS COMING OVER. OK BECAUSE PEOPLE IN POSITIONS OF RESPONSIBILITY, WHETHER THAT BE POLICE OR THE LOCAL AUTHORITY. I DON'T KNOW WHO TAKES RESPONSIBILITY FOR THIS RIGHT, BUT NO ONE'S DOING THE RESPONSIBLE THING AND SHUTTING THIS ROAD, WHY ISN'T THAT HAPPENING".</p>
21:09:23	<p>PC78431 Dodd "I'M GONNA REMIND YOU MATE. I KNOW YOU MIGHT NOT CARE BUT YOU ARE STILL UNDER CAUTION RIGHT".</p> <p>Caren Wildin "LISTEN, I'M PROUD, I'M PROUD, I'M, THAT'S FINE".</p> <p>PC78431 Dodd "ANYTHING, I'M JUST GONNA REMIND YOU FOR YOUR SAKE THAT ANTHINGYOU DO SAY CAN BE (<i>inaudible as Caren Wildin overtalks PC78314 Dodd</i>) REPORTED IN COURT".</p> <p>Caren Wildin "I WANT YOU GUYS TO REPORT BACK FROM ME PLEASE SHUT THIS ROAD BEFORE THERE'S AN ACCIDENT. RIGHT. WHY ONCE YOU KNEW THE TUNNEL WAS UNDER THERE HAS THIS ROAD STAYED OPEN. WHAT IS GOING ON. SHOULDN'T BE US THAT'S HAVING TO STOP THE ROAD TO PROTECT PEOPLES LIVES. YOU'RE SUPPOSED TO PROTECT PEOPLES LIVES. POLICE OFFICERS ARE SUPPOSED TO PROTECT PEOPLES LIVES.</p>
21:09:58	Caren Wildin "WHY IS THIS GOING ON. FLIPPING ECK".
21:13:39 to 21:16:15	Caren Wildin "IF YOU GUYS HAD SHUT THIS ROAD WE WOULDN'T HAE HAD TO BE DOING THIS. RIGHT. THIS TUNNEL WAS FLIPPING. YOU GUYS KNEW ABOUT THIS TUNNEL HOWEVER MANY DAYS AGO RIGHT, AND YOU'VE DONE NOTHING TO PROTECT THE PEOPLE ON THIS ROAD. YOU SHUT THAT ONE, WHY HAVEN'T YOU SHUT THIS ONE. IT DOESN'T MAKE SENSE. SO YOU KNOW, WE'VE HAD TO TAKE ACTION

	<p>WHERE YOU GUYS HAVEN'T TAKEN RESPONSIBILITY. NOT YOU PERSONALLY BUT AS AN AUTHORITY YOU'RE SUPPOSED TO PROTECT PEOPLE. I KNOW YOU DO LOTS OF OTHER THINGS AS WELL. ITS NOT JUST YOU, I DON'T KNOW WHO ELSE IS RESPONSIBLE FOR ROAD SAFETY RIGHT BUT, CLIMATE EMERGENCY, GOT ROAD ISSUES AND YOU GUYS KEEPING THE ROADS OPEN. WHY ARE YOU DRIVING ON THE ROAD YOU CRAZY PEOPLE. WOULD YOU GO AND TELL YOUR OFFICER PLEASE. WOULD YOU JUST GO AND SAY THAT THIS PERSON IN THE BACK OF THE CAR IS REALLY, REALLY CONCERNED".</p> <p>PC78431 Dodd "HE'S BEEN HERE ALL DAY I'M SURE NE'S WELL AWARE".</p> <p>Caren Wildin "WELL YOUR BEING VERY COMPLACENT. RIGHT. WHY ARE YOU DRIVING ON THESE ROADS. YOUR NOT DOING IT ON THE OTHER ROAD OVER THERE".</p> <p>There is a shot gap and then Caren Wildin says "NUTS" and there is then another short gap.</p> <p>Caren Wildin "OK, WHAT'S YOUR NAME, HAZEL, I SHALL. IF THERE'S A TRAGEDY RIGHT, IF THERE'S A TRAGEDY I WILL SAY THAT I INFORMED YOU, RIGHT. THAT WHERE A TUNNELS GONE UNDERNEATH, RIGHT, IT POSSESS A RISK TO PEOPLE BOTH UNDERNEATH AND ABOVE IF THE ROAD IS STILL USED. OK. I'M REPORTING THAT TO YOU AND ASKING YOU TO GO AND SPEAK TO YOUR SENIORS. RIGHT, PEOPLE ARE CAVALIERLY DRIVING ACROSS. THERE'S A TUNNEL I DON'T KNOW WHERE IT GOES BUT ITS OBVIOUSLY A GREAT RISK OR MAYBE ITS NOT UNDER THE ROAD, IS THAT WHY YOU'RE SAYING THE ROAD SHOULD CARRY ON. WELL WE'VE HEARD ITS UNDER THE ROAD THAT'S WHY WE'RE HERE BLOODY STOPPING THE TRAFFIC. BUT YOU'RE NOT. WHAT'S YOUR NUMBER PLEASE".</p> <p>PC78431 Dodd "78431".</p> <p>Caren Wildin "7".</p> <p>PC78431 Dodd "78431. IT'LL BE ON YOUR ARREST PAPERWORK ANYWAY".</p> <p>Caren Wildin "BUT I JUST WANNA SAY. I'M ASKING YOU TO GO AND TELL YOUR OFFICERS TO STOP LETTING VEHICLES DRIVE OVER THIS ROAD PLEASE. WILL YOU JUST PASS THAT MESSAGE ON OK. WHAT CAN MEMBERS OF THE PUBLIC DO WHEN YOU'RE ASKING PEOPLE".</p> <p>PC78431 Dodd "I UNDERSTAND BUT THEY'RE VERY WELL AWARE OF IT AREN'T THEY".</p> <p>Caren Wildin "WELL WHY ARE THEY KEEPING DRIVING ALL OVER".</p> <p>PC78431 Dodd "ITS NOT MY DECISION".</p> <p>Caren Wildin "OK. VERY CAVALIER".</p>
21:16:34 TO 21:17:09	<p>Caren Wildin "VERY IRRESPONSIBLE. YOU KNOW PEOPLE MIGHT SAY WELL YOU GUYS ARE RESPONSIBLE, WHY ARE YOU MAKING THE ROAD DANGEROUS. BECAUSE IT'S THE ONLY WAY TO RAISE AWARENESS THAT OUR FOSSIL FUEL DEPENDANT LIFE IS ENDANGERING THE WHOLE OF HUMANITY. SO WE GO FROM MICRO RISK TO MACRO RISK. BUT RIGHT HERE AND NOW TO AVOID MICRO HAZARD FOR GODS SAKE STOP USING THIS ROAD.</p>
21:18:16 TO 21:19:25	<p>Caren Wildin "78431".</p> <p>PC78431 Dodd "UM, UM, IT'LL BE ALL OVER YOUR PAPERWORK IN CUSTODY ANYWAY".</p> <p>Caren Wildin "SO WHAT YOUR SAYING IS THAT YOU GUYS ARE FULLY AWARE THAT THERE'S, THAT THIS ROAD IS LIKE A HAZARD ZONE".</p> <p>PC78431 Dodd "WHAT D'YA MEAN".</p> <p>Caren Wildin "COZ OF WHAT I'VE BEEN SAYING. IF THERE'S A TUNNEL UNDER THIS ROAD IT'S A HAZARD ZONE TO PEOPLE UNDERNEATH AND PEOPLE ON TOP".</p> <p>PC78431 Dodd "WHAT I'M SAYIING IS THAT I'M SURE THAT THE DECISION MAKERS ARE FULLY AWARE OF ALL THE INFORMATION".</p> <p>Caren Wildin "BUT ARE YOU SURE. WHAT I'M SAYING IS PLEASE GO AND PASS THE MESSAGE ON BECAUSE SOMETIMES WE MAKE ASSUMPTIONS AND THAT THESE ASSUMPTIONS ARE WRONG. I'M ASKING YOU PLEASE TO JUST GO AND PASS A MESSAGE FROM ME TO SAY THAT NO TRAFFIC SHOULD BE COMING ALONG THIS ROAD. WHY ARE PEOPLE CONTINUING TO DRIVE. THERE'S A TUNNEL THERE RIGHT AND THEY'RE GOING UNDER THERE, WHY ARE PEOPLE USING THE BLOODY ROAD".</p> <p>PC78431 Dodd "THEY'VE OBVIOUSLY JUDGED IT TO BE SAFE HAVEN'T THEY".</p> <p>Caren Wildin "WELL THAT'S GONNA BE INTERESTING".</p>

<p>21:21:36 to 21:22:07</p>	<p>Caren Wildin shouts "JUST STOP OIL. PLEASE FOLLOW JUST STOP OIL ON THE WEBSITE. JUST STOP OIL WE'RE IN A CLIMATE EMERGENCY. PLEASE FOLLOW THE CAMPAIGN FOR THE FUTURE OF HUMANITY. YOUR CHILDREN, CHILDREN ALL ACROSS THE WORLD SUFFERING FROM THE CLIMATE EMERGENCY. PLEASE FOLLOW JUST STOP OIL". She then goes on to make political, environmental statements to herself as only PC78431 Dodd would hear these additional comments as they are spoken rather than shouted.</p> <p>The target of the shouted comments would again appear to be the growing number of drivers that had gathered having been prevented from continuing their journeys due to the protesters actions.</p> <div data-bbox="264 504 1477 1137"><p>2022-08-28 21:21:46 +0100 AXON BODY 3 X60415137</p></div>

<p>21:36:02 to 21:37:42</p>	<p>Caren Wildin says "CHECK OUT JUST STOP OIL MATE ON THE WEBSITE JUST STOP". She is interrupted by a male voice that says "I'VE SEEN THE WEBSITE". Caren Wildin "JUST STOP OIL". Male voice "KNOW WHAT IS STOPPING. MY BRAIN IS STOPPING. I HAD A MENTAL BREAKDOWN THREE DAYS AGO AND I'M CLOSE, THIS CLOSE TO HAVING ANOTHER ONE. YOU UNDERSTAND". PC78431 Dodd appears to say "GUYS, JUST WALK". Male Voice "WHY DO YOU DO THIS". PC78431 Dodd "GUYS, JUST KEEP WALKING". Male voice "I HAVE KIDS AT HOME YOU UNDERSTAND". PC78431 Dodd "LADS (<i>inaudible</i>) MATE KEEP GOING". Male voice "I HAVEN'T DONE ANYTHING WRONG YOU KNOW THAT". PC78341 Dodd "YER, I'M JUST ASKING YOU TO LEAVE THE AREA". Male voice "WHY DON'T YOU ASK THEM TO LEAVE THE AREA". PC78341 Dodd "OK". Caren Wildin shouts "IT'S A CLIMATE EMERGENCY MATE". Male voice "YOU DON'T KNOW". Caren Wildin shouts "IT'S A CLIMATE EMERGENCY". Male voice "IT WAS AN EMERGENCY FIFTEEN YEARS AGO". Caren Wildin shouts "YES I KNOW AND WHAT ARE WE DOING ABOUT IT. WE'VE ALL GOTTA DO SOMETHING ABOUT IT". There is a short gap and then Caren Wildin says "THIS IS WHAT THEY SAID . THAT WE'LL EITHER ALL TURN AGAINST EACH OTHER OR WE WORK TOGETHER AND WE HAVE TO WORK TOGETHER". This comment would appear to have been made to PC78341 Dodd or herself and then goes on to make further general political and environmental statements. (The unknown male is likely to have been one of the drivers that had been prevented from continuing their journey and was now walking away from the scene but having to pass the protesters to reach his destination).</p> 
<p>21:40:35</p>	<p>As part of the general political and environmental statements Caren Wildin says "DIRECT ACTION, THERE'S NO OTHER OPTION".</p>

21:42:36	<p>Caren Wildin shuts out "SIGN UP TO THE JUST STOP OIL WEBSITE. PLEASE WE'RE IN A CLIMATE EMERGENCY".</p> <p>This appears to be called out to passing members of the public and the growing number of drivers (circled) that have been prevented from using the road due to the protester's actions.</p> <p>Caren then makes a comment to PC79341 Dodd or to her self "IF THE PUBLIC HAVE TO BE INCONVENIENCED IN ORDER TO GET ON BOARD LIKE EVERYONE NEEDS TO BE ON BOARD THEN SO BE IT. THAT'S MY VIEW. THE INCONVENIENCE TO THE PUBLIC NOW IS NOTHING COMPARED TO WHAT'S COMING DOWN THE LINE". Further general political and climate related comments made.</p> 
21:44:24	<p>Caren Wildin says "SO, I'M NOT SORRY FOR DISRUPTING THE PUBLIC. IF THE PUBLIC NEEDS TO BE DISRUPTED IN ORDER TO LET THEM REALISE THAT THIS IS NOTHING COMPARED TO WHAT'S COMING DOWN THE LINE". Followed by further general political and environmental comments.</p>
21:47:48	<p>Caren Wilden is driven away from the scene by PC78431 Dodd and another officer and taken to another waiting marked police vehicle further back along St Clements Way.</p>

As she climbs into the rear of the marked police van this is the first time that she provides any name details to police officers and she confirms that her name is 'Caren'.

22:09:14	<p>Having been conveyed to the Grays Police Station, Caren Wildin is pictured in the waiting area of the custody suite.</p>  <p>A woman with short brown hair, wearing a dark long-sleeved top and a black skirt, stands with her arms crossed in a waiting area. The desk is cluttered with various items, including papers and a small sign. A yellow triangular logo is visible in the top right corner of the image frame.</p>
22:15:22 to 22:15:48	<p>Whilst PC78431 Dodd is providing the circumstances of the arrest and reasons for the arrest to the detention officer Caren Wilding says "WE WERE THERE TRYING TO PREVENT HARM". As PC78431 Dodd explained that she had left her pedal cycle in the road and ran towards an oil tanker Caren Wilding says "TRYING TO STOP IT RUNNING OVER A DANGEROUS ROAD THAT'S BEEN LEFT OPEN BY THE AUTHORITIES".</p>

	<p>Police were already present on St Clements Way, West Thurrock, Grays, Essex when four protesters from the 'Just Stop Oil' campaign took action that caused an obstruction of the highway by dropping the bicycles they were riding on the road and thereby obstructing the passage of traffic. One protester climbed up onto the cab of a fuel tanker whilst another attempted to use a drill to puncture one of the fuel tankers rear tyres.</p> <p>Caren Wildin was one of the four protesters. Her part was to ride in front of the fuel tanker and then stop and lay her bicycle in the road in the path of the fuel tanker and run towards the vehicle causing it to stop.</p> <p>The protesters action has commenced at about 1930 hours on 28/08/2022 and the final protester, who was the one on the top of the fuel tanker was removed at about 0030 hours on 29/08/2022. The road had therefore been obstructed and closed to vehicular traffic for about 5 hours, although the closure continued for a short while after removal of the last protesters whilst the specialist police officer that had to be brought in to remove the final protester cleared their equipment away.</p> <p>St Clements Way forms part of a 'horseshoe' along with Stoneness Road that gives access to an industrial estate which amongst other businesses contains a fuel storage facility. These two roads are the only way in and out of the industrial estate. Due to protester action that had started a few days earlier, and was still ongoing at the time of this incident, Stoneness Road was closed to all vehicular traffic making St Clements Way the only way in and out of the industrial estate. During this incident not only were the drivers of fuel tankers prevented from going about their business but other members of the public were prevented from travelling into work or travelling home from work during the period of the road closure.</p> <p>The image here is an image of Caren Wildin obtained during the custody procedure where she was allocated the custody reference number 42BZ/2533/22.</p>

Statement of: Dale BARNES

Age if under 18: Over 18 (if over 18 insert 'over 18') Occupation: Police Constable 80171

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature:  80171 (witness) Date: 23/08/2022

On TUESDAY 23rd AUGUST 2022, I was on duty in full police uniform as WK40 and asked to attend a silver reserve call out to attend GRAYS FIRE STATION for operation hazel regarding fuel protests within THURROCK and on this day, I arrested two persons for aggravated trespass.

At approximately 07:30 I was made aware by my airwaves that a public order call out had been called and that as a silver reserve officer I was to attend GRAYS FIRE STATION and await further instructions.

On attending GRAYS FIRE STATION as WK40, I was tasked to attend ASKEWS FARM LANE to the fuel terminal whereby four persons had got onto the site and got onto the pipework causing the fuel terminal to cease work. Whilst there I was tasked to patrol the pipe work to prevent the persons coming from the pipes, whilst doing this I have walked up and down and through have noticed 4 persons sitting on the pipes which are in aisle formation from A-L. On aisle "H" was a protester that I now know to be Jade CALLAND which I have confirmed by looking at custody photographs which I have made a verbal description saying that it appeared to be a white male, with brown curly hair on top and a side shaved. between aisle "J" and "K" was a male I would describe as a white male who had white long hair with a black hair band wearing an orange high vis with a black skull logo on I will refer to him as JK male throughout this statement.

Signature:  80171

Signature witnessed by:

At aisle "L" there where two persons one I could not see well enough to describe however saw this be a white person wearing glasses who I now know to be Kayleigh MATTHEWS which I have confirmed by checking custody photographs and a male who I know now as Stephen GINGELL who I would describe as a white male, with a bald head and grey beard but was unable to see the males clothing.

I was tasked to attend the security office as a security guard had taken a bag which he had seen be left by a protestor, who I know now to be Sam HOLLAND being identified through being asked around the bag, and took to the office – on looking in the bag to find an identifying object I have found a banner of "just stop oil" and a tabard of the same branding, with three books, bottles of water and sandwiches which I have taken for safekeeping which I will exhibit as DJB/02

This interaction has been caught on my body worn and I will exhibit this as DJB/01

I have reactivated my body worn video when the protestor removal team where ready to start removing the protestors as to capture this, on going up I could see that CALLAND was avoiding officers and was moving around on the pipes, JK MALE had unattached himself from the pipes and started moving around on pipes avoiding officers.

CALLAND was taken down from the gantry after being arrested and conveyed to GRAYS CUSTODY I can confirm that this was the person who I initially saw sitting on aisle "H"

The Protestor removal team have started the process to remove GINGELL and the other person and I have gone up into the cherry picker and I have asked if the two persons could hear me which they said they could so I have said "THE TIME IS 12:16 YOU ARE UNDER ARREST FOR AGGRAVATED TRESPASS, YOU DO HAVE TO SAY ANYTHING BUT IT MAY HARM YOUR DEFENCE IF YOU DO NOT MENTION WHEN QUESTIONED SOMETHING YOU LATER RELY ON IN COURT ANYTHING YOU DO SAY MAY BE USED IN EVIDENCE THE REASON FOR YOUR ARREST IS FOR A PROMPT AND EFFECTIVE INVESTIGATION BY MEANS OF QUESTIONINNG AND TO PREVENT FURTHER DAMAGE, DO YOU UNDERSTAND?" which GINGELL and MATTHEWS said they did.

Signature:  50.13.1...

Signature witnessed by:

On awaiting the persons to be removed it had been mentioned that the person had locked themselves on to either themselves or the structure and were being removed by the protestor removal team. The first to be removed was GINGELL and he was bought down on the cherry picker and when he reached the bottom, I went over and asked him his name which he confirmed as "STEPHEN" and I passed him to my colleague for him to be searched and to be conveyed to custody. I waited until MATTHEWS was bought down and asked what her name was which she replied with "CAN I TELL YOU THAT IN CUSTODY?" which I said she could, I have searched her pockets to look for any glue that may cause her to glue herself to the inside of the police vehicle or carrier.

I have taken MATTHEWS from the structure into the rear of the police vehicle to be conveyed GRAYS CUSTODY. When at GRAYS CUSTODY due to how loud it was at the scene, I had repeated that they were arrested for the offence of aggravated trespass, in which her bag was searched by officers booking her in and they have noticed she had an orange high vis tabard with a black logo which I will exhibit as DJB/03 and a harness and rope as DJB/04. A full length photograph of MATTHEWS was taken in custody and exhibit this as DJB/05

This interaction was caught on Body worn video and this will be exhibit as DJB/06.

(witness) Date: 23/08/2022

On Tuesday 23rd August 2022 I have been assigned to Op Hazel which is an operation designated to protect key sites throughout the county against protests designed to disrupt and shut down key infrastructure in Essex. At the beginning of my duty we received a briefing detailing our deployment locations and informed to liaise with Bronze Inspector prior to arresting a protestor providing they are compliant and an immediate arrest was not required.

My duty consisted of 0500-1900hrs and I was assigned to serial VG1B. Whilst on-route to our designated site, at 0655hrs it was relayed security at an oil facility down ASKEWS FARM LANE, GREYS, ESSEX saw 10-20 protesters enter the site climbing the oil storage tanks. We have responded to the location which is the entrance of GOFF HEATING OIL & PETROLEUM and I've seen an unknown member of security escorting a female out of the site.

I have exited the van in company with T/PS 76604 MATTHEWS and spoke with a female who identified herself as MARGRET though wouldn't provide any further information to officers. MARGET was calm and compliant. From previous intelligence and my experience in previous deployments with environmental protestors I am aware a common tactic is to superglue themselves to key infrastructure causing damage to this and causing major disruptions. Based on this information at 0725hrs I have informed MARGET that I was detaining her under S.1 PACE for the purposes of a stop search, MARGET stated she didn't believe we could do this as we were male however explained to her that although same sex searching is preferred it is not mandatory under this power and that I needed to search her. I provided the above information to MARGET in line with GOWISELY and proceeded to search her rucksack whilst T/PS MATTHEWS observed MARGRET and got her to show him the contents of her pocket. During this search I found a large pair of **bolt croppers, garden secateurs, orange tabard with black skull decal (which I believe linked her to the protestor movement) & gloves**. During this search I was liaising with my serial Sergeant, PS 2796 MINT who was in company with Bronze Inspector Insp Austin, whilst liaising I suggested arresting for Conspiracy to Commit a Public Nuisance however advised to arrest MARGRET for

possession of an offensive weapon. Due to MARGRET having in her possession bolt croppers believed to intended to access the site by cutting open fences I did not know why she would have on her person a sharp bladed instrument and believed Insp Austin had further information to suggest this article would be intended for harm, based on this I formed the suspicion she had the article on her to cause harm. I arrested MARGRET at 0744hrs for **possession of offensive weapon** and cautioned her to which she gave no significant reply, my necessities for arrest were *for a 'prompt and effective interview by means of questioning' & 'to prevent harm to any person'*. We conveyed MARGET to custody where we arrived at 0922hrs and during booking in I have further arrested MARGRET for **possession of an article with intent to commit criminal damage** due to the bolt cropper in her possession and reports of protestors gaining access to sites by cutting fencing and suspecting the bolt croppers were in her possession for this reason. I arrested her at 1026hrs and cautioned her to which she gave no significant reply. My necessities for arrest were for a *'prompt and effective interview by means of questioning' & 'to prevent damage to any property'*.

MARGET was then booked into Colchester Custody where she gave the name Margret REID, she was accepted under custody reference **42EZ/2288/22** and was stripped searched by two female officers. Statement of: Liam GARLAND

Age if under 18: Over 18 (if over 18 insert 'over 18') Occupation: Police Constable 79090

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

At approximately 19:48 hours on SUNDAY 28th AUGUST 2022 I was on duty in full uniform booked on to call-sign HAZEL03 in company with SGT 77572 O'SHAUGHNESSY, DC 81307 DEVINE, PC 71835 DADY, PC 77316 COHEN, PC 78021 DEEBANK, PC 77210 BRANDON and PC 71784 OWEN. I was on a public order deployment with the role of responding to JUSTSTOPOIL protesters looking to cause disruption and criminal offences. At 19:48 hours we were responding to reports that protesters had made their way on to St CLEMENTS WAY, GRAYS where one had reportedly climbed a lorry tanker, and another had attempted to drill the back tyre to a vehicle. On arrival at the bottom of ST CLEMENTS WAY, junction with LONDON ROAD, I saw three females running into the carriageway together in a line. As the carrier stopped, officers immediately jumped out to pursue the females and the females began to sit down in a line to obstruct the highway.

Sgt O'SHAUGHNESSY and I detained one of the females, who I now know as MARGARET, taking her arms and carried her to the pavement on the side of the road. MARGARET was a white female who appeared to be aged in her fifties, with brown hair and was wearing a red jumper with a pair of glasses tucked into it. I saw that on MARGARET's right wrist there was a small metal chain with appeared to be tied around it. The female had a tube of glue in her left hand which was clenched in a fist, and she told us that her hand was stuck to the glue. Sgt O'SHAUGHNESSY informed the female that she was detained for a search under S1 of PACE and we awaited a female officer to complete the search.

The two other females obstructing the highway were carried out of the road by other officers and were also detained for a search.

At approximately 20:20 hours, DC DEVINE carried out a search of MARGARET and located another tube of glue concealed under her jumper wrapped in tissue which was then handed to me. At 20:26 hours, I arrested MARGARET on suspicion of being in possession of articles with the intent of causing criminal damage and I gave the police caution.

I seized the following items from MARGARET on arrest.

LG/01- METAL CHAIN ON WRIST

LG/02- TWO TUBES OF ULTRA GLUE

At 21:11 hours, I was informed that the two other females detained had been searched and were also in possession of articles and suspected to be intent on causing criminal damage.

One of the females, who I now know as VICTORIA LINDSELL, was a white female with long blonde hair, appeared to be aged in her 60's and was wearing a grey hooded jumper.

VICTORIA had in her possession a protest banner, a large metal pole and a rock. VICTORIA also had a tube of ULTRA GLUE suck in her hand in a fist.

A search of VICTORIA's rucksack was carried out by DC DEVINE in custody in which she was also found to be in possession of an orange high vis vest with the JUSTSTOPOIL logo on the back, two more tubes of ULTRA GLUE, a stop HS2 pin-badge, a JUSTSTOPOIL pin badge, a handwritten map of the bridge where the protest occurred and an ADVICE ON ARREST card.

At 21:11 hours, I arrested VICTORIA and gave the police caution.

I have seized the following items from VICTORIA.

LG03- THREE TUBES OF ULTRA GLUE

LG/04- METAL POLE

LG/05- PROTEST BANNER

LG/06- HIGH-VIS JUSTSTOPOIL VEST

LG/07- HS2 PIN BADGE

LG/08- JUSTSTOPOIL PIN BADGE

LG/09- HANDWRITTEN MAP

LG/10- ADVICE ON ARREST CARD

The other female, who I now know as PHOEBE PLUMMER, appeared to be aged in her late teens/ early 20's. She had short pink hair and was wearing a red hooded jumper and black

boots. PHOEBE had in her possession a tube of ULTRA GLUE, a small metal chain and two CLIMATE ACTION SUPPORT PATHWAY cards.

I also arrested PHOEBE at 21:11 hours and gave the police caution.

I have seized the following items from PHOEBE.

LG/11- TUBE OF ULTRA GLUE

LG/13- TWO CLIMATE ACTION SUPPORT PATHWAY CARDS.

Following the arrests, I waited for the PROTEST REMOVAL TEAM to arrive and de-bond the two protesters glued hands before conveying the three protesters to GRAYS custody, arriving at 22:05 hours, where their detention was authorised by the Custody Sergeant.

In relation to my attendance and the arrests, I am exhibiting my body worn video as LG/13.

Statement of: Thomas William WORTERS

Age if under 18: Over 18 (if over 18 insert 'over 18') Occupation: Police Constable 71562

This statement (consisting of page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

On Tuesday 23rd August 2022 I was on duty in full uniform allocated to call-sign VG1B driving a marked Police Carrier. I was specifically tasked with Policing protests from the group known as "Just Stop Oil"

At this time I was in the Grays area of Essex with several other officers. We were asked to make our way to the Shell Fuel depot, Askews farm Lane, Chafford Hundred.

This is a large fuel depot I was aware protesters had targeted before. Information given was that 15 to 20 protesters had been seen entering the site via unknown means.

Upon arrival at around 0700 hrs I activated my body worn video camera. I could see that there was a male at the top of a fixed ladder around 15 feet up. This was attached to a fuel tanker. Also with were site security trying to convince him to get down. I also saw at least 4 other protesters within some large pipes around 20 feet above the ground. I was immediately concerned for them as they were climbing around. It was clear that their presence had halted the business from running at all. Around half an hour later I noticed the first male I had seen with security was coming back down. At 0735 I arrested the male for aggravated trespass. I then cautioned him to which he made no reply. I then handcuffed him to the front stack position.

Signature: Signature witnessed by:

I then searched the male. I found in his trouser pocket a tube of superglue which I seized and can produce as follows:

TWW/02 – Tube of unopened superglue

The male was then conveyed to Colchester custody where his detention was authorised. This generated the unique custody number 432EZ/2289/22

The male was identified as HOLLAND, Sam (b-06/05/2002)

I can produce my body worn video footage as exhibit TWW/01.

TWW/02 was later booked onto the Essex Police Property system under the reference ED/030273/22

Circumstances of this investigation are JOHNSON has been detained by Police at 15:44 hours on the 4th September 2022 on St Clements Way, Grays, Essex. On the morning of the 23rd August 2022 JOHNSON and five other Just Stop Oil direct action protesters occupied two pre-excavated tunnels. One on St Clements way and the other on Stoneness Road. JOHNSON and two others occupied Tunnel 1 on St Clements Way, the tunnels were constructed in a way that the entire road had to be closed initially preventing all vehicular traffic entering the industrial estate that could only be accessed by these two roads. St Clements way was partly opened to a limited amount of traffic controlled by temporary traffic light contraflow system. Police negotiators worked for 12 days to encourage the group to leave without success. JOHNSON was arrested on the 4th September when negotiations succeeded and JOHNSON left the tunnel he had occupied.

Statement of: Stevie GREEN

Age if under 18: Over 18 (if over 18 insert 'over 18') Occupation: Police Constable 78024

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature:  (witness) Date: 04/09/2022

On SUNDAY 04TH SEPTEMBER 2022 I was on duty in full uniform attached the call sign VG2A. On this call sign I was in company with PS 72436 WIGINGTON, PC 2981 PADDON, PC 451 CORNWELL, PC 77189 READ, PC 79836 YUILL, PC 73217 PHILIPSEN and PC 80072 CLARKE.

On this date we were deployed to ST CLEMENT'S WAY, GRAYS, THURROCK whereby three protesters were within a manmade tunnel which is suspected to have been dug by the protesters in the hole. The tunnel entrance was on the grass verge beyond the railings, whereby the tunnel length continued underneath the road surface of ST CLEMENTS WAY. The protesters within the hole is suspected to have drilled through the road surface creating holes. As a result the whole road had been closed off and cordoned by Police, which has caused huge disruption by vehicles not being able to use the road for its purpose. This location is referred to as site number TUNNEL 1.

These protesters within the tunnel are part of the group 'JUST STOP OIL'. The protests relate to the oil refinery protests that have been occurring within the THURROCK area which is in ESSEX. These protests have been occurring since April 2022. These protests have consisted of individuals commandeering fuel tankers by sitting on top of them and attaching themselves to the gates of oil refinery premises. Our intention is to prevent these protests from occurring

Signature: Signature witnessed by 

which has been causing a significant nuisance to the public, businesses and exhausting emergency services demand.

We arrived at ST CLEMENTS WAY at approximately 1600hrs, whereby we had a briefing from INSP 73253 COYLES who advised that Police negotiators had communicated with the protesters within the tunnel and the subjects agreed to leave the hole with terms that their press officer was present. These terms had been agreed and myself, PC CORNWELL, and PC PADDON had were tasked with effecting the arrest of the three individuals on suspicion of criminal damage and intentionally/recklessly cause a public nuisance.

At 1540hrs we positioned ourselves around the tunnel entrance to intercept the subjects when exiting the tunnel. The Police negotiators were assisting them removing their belongings out of the tunnel.

I activated my body worn video which I can produce as my exhibit SG/01.

I had begun to arrest SAM JOHNSON who was the first protester to exit the tunnel, although whilst doing so, he started shouting and putting his fist into the air to the photographer, this distracted me stopping me mid arrest. I do not recall the words he was saying.

Once he stopped shouting and pandering to the photographer, at 1544hrs I placed JOHNSON under arrest for CRIMINAL DAMAGE TO THE ROAD AND INTENTIONALLY/RECKLESly CAUSING A PUBLIC NUISANCE. I cautioned him by saying YOU DO NOT HAVE TO SAY ANYTHING, BUT IT MAY HARM YOUR DEFENCE WHEN YOU DO NOT MENTION WHEN QUESTIONED SOMETHING WHICH YOU RELY ON IN COURT, ANYTHING YOU DO SAY MAY BE GIVEN IN EVIDENCE. I provided the necessity criteria of his arrest to prevent any further damage taking place, and prompt and effective investigation by means of questioning.

I wanted to ensure he was listening to the grounds and necessity for his arrest clearly and that there was no confusion as to what I had originally started to say, hence why I chose to stop and wait until he stopped shouting. He was placed in handcuffs to the rear to prevent his escape and I wanted to ensure he was searched in case he had articles on his person that may cause further damage such as superglue.

I would describe JOHNSON as a white male, 5ft11 in height, roughly 40 years old, black short hair, black beard, and of slim build. He was wearing an orange t-shirt with JUST STOP OIL written on the front in bold black text, grey cargo trousers and dark walking boots.

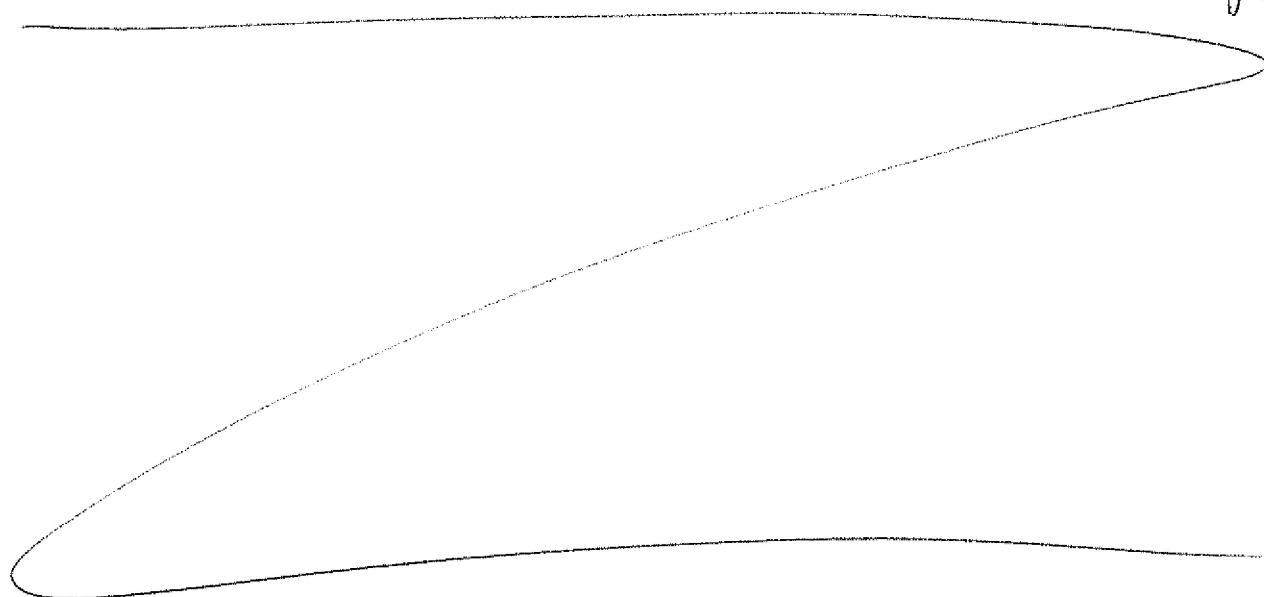

JOHNSON stated his legs were unsteady, therefore we slowly walked up the verge whereby PC PHILLIPSEN met me assisting. JOHNSON was walked over to the paramedic van whereby PC PHILLIPSEN conducted a search after arrest, his handcuffs were changed to the front stack position. He was medically checked by the paramedic and JOHNSON said he felt fit and well.

He was placed in the rear of the Police vehicle where he was conveyed to GRAYS CUSTODY by PC PHILLIPSEN and I. He was calm and compliant throughout.

We arrived at GRAYS custody at 1604hrs whereby his detention was authorised by the custody sergeant. His custody reference was 42BZ/2596/22.

I have not reviewed my body worn video prior to making this statement and it is all from my own memory.

These are my original notes made at GRAYS POLICE STATION, concluded at 1730hrs.

This statement (consisting of 5 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

On WEDNESDAY 24TH AUGUST 2022 I was on duty in full uniform using the call sign VG1A. I was in company with PS 74352 BAKER, PC 77725 DEDMAN, PC 77723 HANBURY and PC 75271 WINNEY.

At 0600hrs we were deployed to ESSO GARAGE, MOTO SERVICES, WEST THURROCK, ESSEX whereby it was reported that protestors had caused damage to the petrol pumps by smashing them with glass hammers and spray painted display screens on the pumps, as result this damage rendered them useless for operational working until they were fixed. Essex Police reference EP-20220824-0195 refers. This location does not have a designated operation site number.

The protest relates to the oil refinery protests that have been occurring within the THURROCK area which is in ESSEX. These protests have been occurring since April 2022. These protests have consisted of individuals commandeering fuel tankers by sitting on top of them and attaching themselves to the gates of oil refinery premises. Our intention is to prevent these protests from occurring which has been causing a significant nuisance to the public, businesses and exhausting emergency services demand.

We arrived at the subject location at approximately 0630hrs whereby there were 11 protestors at the entrance to the fuel station sat on the floor. The majority of the protestors were wearing

'JUST STOP OIL' orange tabards and 'JUST STOP OIL' banners displayed in front of them where they were sat.

On arrival I activated my Body Worn Video which I can produce as my exhibit SG/01- Reference X6041067.

None of the individuals replied to caution. They were arrested at the site entrance of the fuel station.

I began conducting Section PACE searches of the females that had been arrested to ensure they had no items on their person which may cause further offences or harm myself, or my colleagues during conveyance. Statement of: Michael ORNELLAS

Age if under 18: Over 18 (if over 18 insert 'over 18') Occupation: Police Constable 75387

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature: Michael Ornellas 75387 (witness) Date: 30/09/2021

On THURSDAY the 30TH of SEPTEMBER 2021 at 0815 Hours I was on duty in police uniform in company with PC'S 76490 WILLIS, 73908 AL-RAWI, 78998 CAREY-SMITH, 11829 WALSHAM, 77866 HESKETH, 79046 CRONEY and PS 3393 RICHMOND, call sign VG01B travelling along the M25 anticlockwise.

I left at junction 30 and travelled along the off-slip, as I did I saw out the of the windows a number of persons sat in the middle of the carriageway holding up traffic, I saw a number of them were wearing orange tabards. I could also hear several motorists sounding their horns. Our unit travelled around the roundabout and I alighted from our carrier and walked along the carriageway towards the persons I had seen, this was because our carrier could not get past the traffic. As I was walking I could see that the traffic was at a standstill, I could hear a number of motorists sounding their horn and as I got closer I could see what I believed to be other motorists who had gotten out of the vehicles confronting the persons sat in the road. As I got to the persons sat in the road, I could see that some were holding up red, white and blue banners which had 'INSULATE BRITAIN' in capital letters on them. In company with other officers from my carrier I started to verbally engage with the persons sat in the road, I saw a group of three who were sat on the floor who said that they were glued. As I looked I could see that they were glued together and one of them was glued to the road, as other officers arrived I then went over to another female who was sat on her own, I told her that she needed to get out of the road and

asked if she would, without any resistance the female got up and out of the road and was left with another officer.

I then went over to two males who were sitting in the road, both males were holding an 'INSULATE BRITAIN' banner in front of them. I asked them to get up and out of the road, they remained silent so I and other officers lifted them up and moved them to the side of the road, I could see that the two males had glued their hands together which they told me about prior to moving them. I now know these two males to be Ben TAYLOR and Simon REDING. I would describe TAYLOR as a white male, slim build with brown short curly hair with facial hair of the same colour, 5ft10 tall wearing a black cap, an orange tabard, red jacket, dark grey jeans and trainers. I would describe REDING as a white male, slim build, short thinning blond hair, 5ft9 tall wearing an orange tabard with 'INSULATE BRITAIN' written in black ink on the back, a tweed jacket, pink shirt and brown boots.

At 0824 hours I arrested TAYLOR and REDING on suspicion of obstructing the highway, I cautioned them and gave my necessity as to allow for a prompt and effective investigation, to obtain evidence by way of questioning, to prevent further obstruction to the highway, to prevent loss or damage to property and to establish their names and addresses. I remained with TAYLOR and REDING, I asked them after arresting them their name, they both looked at each other and after a pause gave their first names only as Ben and Simon. I gave them my name and asked them if they had anything on them that they shouldn't have, REDING said that he had glue in the top pocket of his shirt. I removed and seized this item. As I stood with TAYLOR and REDING, I could hear other motorists driving past shouting and sounding their horns.

The carriage way was closed over the bridge on the roundabout to allow for a safe and sterile working area so that the Protestor Removal Team (PRT) could assist with the removal of the other persons who had glued themselves to the road and to each other. I walked TAYLOR and REDING to the back of our carrier, the PRT assisted with the removal of the glue from both their hands. TAYLOR and REDING were then conveyed to GRAYS Custody.

I arrived at GRAYS Custody at 1020 hours, after a short period of waiting I took TAYLOR through to the custody desk and booked him in with the Detention Officer (DO). I conducted a search of TAYLOR'S property, amongst a bunch of rolled up tissues I found and a small tube of

Signature: *[Handwritten Signature]* Signature witnessed by:

glue which I seized, I also saw what I believed to be an 'INSULATE BRITAIN' banner rolled, I seized this also.

Once TAYLOR had been booked in, he said to the DO that upon his release he would go out and continue to obstruct the highway again and continue to do so until the government meets their demands. I placed TAYLOR in cell 13 and gave him a drink of water and a blanket. Afterwards I booked REDING in and once complete I took him to cell number 10 where I gave him a blanket.

I can produce the exhibits that I seized from both TAYLOR and REDING as my exhibits, I have also printed out a map showing where the persons were in the road which I can produce as an exhibit, reference numbers:

MO/02 – WILKO INSTANT BOND SUPER GLUE

MO/03 – ROLLED UP BANNER

Statement of: Thomas Anthony CLINTON

Age if under 18: Over 18 (if over 18 insert 'over 18') Occupation: Acting Police Inspector 3449

This statement (consisting of 1 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false, or do not believe to be true.

Signature:  (witness) Date: 13th October 2021

On Wednesday 13th October 2021 I was on duty in full level 2 uniform, I was in a marked Police van in company with PC 77665 Bloxham, PC 79090 Garland, PC 78924 Le-Cornu, PC 78605 Sadowski and PC 74264 Johnston, we were at Boreham Police complex. Following reports of numerous people blocking the road in Thurrock we were directed by the control room to the area to assist, we were using the callsign VG2B.

As we made our to Thurrock we received further information that the people were protesting in relation to climate change, there were reports of people adhering themselves to the road surface and that they were in multiple locations. We were directed to meet with two other personnel carriers at St Clements Way in West Thurrock, VG02A and VG02C.

Upon our arrival around 0950hrs we were met by Inspector 2651 Stokes, he directed that the persons present blocking the carriageway were to be arrested for Conspiracy to cause a Public Nuisance and removed from the carriageway. He asked that VG2B took primacy in undertaking this role with VG02C while VG01A was to provide support and security.

At 0955hrs I began to engage with the persons in the roadway, they were wearing orange tabards and I was quickly clear to me that they have glued themselves to the road surface by some means, I could see Superglue tubes discarded on the floor around the protesters. I said to several of them, who were sitting on the Northbound carriageway of St Clements Way, "PEOPLE, WE ARE LOOKING TO REMOVE YOU FROM THE ROAD NOW, ARE ANY OF YOU WILLING TO MOVE FROM THE ROADWAY OF YOUR OWN ACCORD" a few of those present shook their heads while the others remained silent. I then instructed some of the constables present to begin to engage with the protesters and encourage them to move.

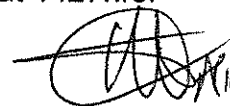

At 1002 hours I began to speak with a male I now know to be Simon READING born 04/10/1972, I said to him "SIR, IS THERE ANYTHING I CAN REASONABLY SAY OR DO THAT WOULD ENCOURAGE YOU TO REMOVE YOURSELF FROM THE CARRIAGEWAY" there was no reply from the READING. I said to him "SIR, IF YOU REFUSE TO LEAVE THE CARRIAGEWAY NOW I WILL BE FORCED TO HAVE YOU REMOVED" he ignored me, I then

Signature:  (witness) Signature witnessed by: N/A

said to him "SIR, YOU ARE GOING TO BE ARRESTED FOR CONSPIRACY TO CAUSE A PUBLIC NUISANCE". I then instructed two officers to remove the male from the road, at the time it was not practical to caution the male as we were in the middle of the carriageway and surrounded by lorries and numerous members of the public and officers.

Over the course of the following 40 minutes officers engaged with the protesters and a specialist team arrived to de-bond the protesters who had glued their hands to the road, following the successful operation to clear the road, the arrested persons were taken to Southend Police Station, while at the station I explained to the persons arrested the reasons for their arrest again and specifically cautioned READING as I was aware it had not been done at the roadside, I also informed him of the fact that his arrest was necessary for his own protection, to prevent an obstruction of the highway and to obtain evidence by questioning him.

These are my original notes, made at Southend Police Station at 1427hrs.
