Introduction

The Governing Body will admit all children attaining the age of 5 during an academic year as one intake in September. As required by law, this school provides for the full-time admission of all children offered a place in the reception year group from the September following their fourth birthday.

Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in the school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child. Where parents choose to defer entry, the school may reasonably expect that the child would start at the beginning of a new school term/half term. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted.

The Governing Body believes that it is preferable that all Reception children attend full time education from September. However, for all children we carry out the following 'phase in' induction.

First 5 days of the Autumn term - All children attend mornings.

Days 6 – 9 of the Autumn term - All children attend mornings and stay for lunch.

From then on - All children stay for a full day.

In exceptional circumstances an extended phase in period, in consultation with the Headteacher, will be considered.

The above recommendations do not remove parents' statutory right to take up a full-time place from September. Please do not hesitate to discuss such matters with the Head Teacher or Pre School Supervisor.

Application procedures

Normal Admissions round – i.e. Applications for admission into Year Reception in September.

Parents must make these applications to the Local Authority in which they live by the national closing date published in the "Primary Education in Essex" booklet (available online) i.e. 15 January.

This applies even if the child is already at Chrishall Preschool.

Applications and offers will be handled in accordance with the coordinated admissions scheme published by Essex County Council in the "Primary Education in Essex" booklet.

In-Year Applications

From 1 April 2022, in year applications¹ should be made directly to Chrishall Holy Trinity and St Nicholas CE (A) Primary School. Application forms are available on the school website or from the school office.

In accordance with Essex guidelines the school does not offer part-time or flexi schooling.

Pupils will be admitted without reference to ability or aptitude.

The School Governors will admit children with a statement of Special Educational Needs that names the school.

Under Department of Education Net Capacity Assessment Method for primary schools, the schools net capacity is 105 and the indicated admissions number is 15. Therefore, in order to meet the statutory Key Stage 1 class size requirements, the school is publishing an admissions number of 15.

Subject to availability of places within the published number intended to be admitted it is the policy of the Governors to admit the children of all parents who express a preference for their children to be educated at this school. Attendance at Preschool will not automatically guarantee a place. Places will be allocated according to the admissions criteria below.

Prospective parents are encouraged to visit the school by arrangement with the Head Teacher through the School Office.

¹ An application is an in-year application if it is for the admission of a child to Reception, but it is submitted on or after the first day of the first term of the admission year, **or** if it is for the admission of a child to an age group other than Reception.

Admissions Criteria

Where applications for admission exceed the number of places available the following criteria will be applied in the order set out below to decide which children to admit.

1. Looked-after children² and all previously looked after children³, including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted⁴.
2. Siblings⁵ residing within the former Ecclesiastical Parishes of Holy Trinity, Chrishall and St. Nicholas, Elmdon with Wenden Lofts (including Duddenhoe End).
3. All other children residing within the former Ecclesiastical Parishes of Holy Trinity, Chrishall and St. Nicholas, Elmdon with Wenden Lofts (including Duddenhoe End).
4. All other Siblings⁵ of those children already on roll in any but the final year of this school.
5. Children living in the Ecclesiastical Parish of the Icknield Way Villages (Chrishall Grange, Heydon, Great and Little Chishill and Flint Cross).
6. Those who would benefit on pastoral, medical, social or psychological grounds and who can provide written evidence from an appropriate professional to show that attendance at this school is essential.
7. Children from outside the Ecclesiastical Parish of the Icknield Way Villages. Preference will be given to those who worship within a Christian community.

NOTES:

- a) If you are applying under criterion 6 or 7 it is necessary to complete the Supplementary Information Form.
- b) The straight-line distance from home to the school will be taken into account, the shortest being given priority within each category. Distances are calculated by the Local Authority as defined in the "Primary Education in Essex" booklet, by use of a Geographical Information System, which measures the distance from the home address to the school.
- c) In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance

² A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school

³ Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order)

⁴ A child is regarded as having been in state care outside of England if they were in the care of or were accommodated by a public authority, a religious organisation, or any other provider of care whose sole or main purpose is to benefit society.

⁵ The definition of sibling is that used in the "Primary Education in Essex" booklet and applies to siblings of children already on roll **except** for those in the final year of this school.

Essex County Council defines a sibling as a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit, in the same family household and address, who attends the preferred school in any year group excluding the final year.

Biological and adopted siblings who attend the preferred school in any year group excluding the final year will also be treated as siblings, irrespective of place of residence.

Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings.

will only apply to the period when the church or alternative premises have been available for public worship

Waiting lists

If your application for a place in September is refused (whether you appeal or not) a waiting list for admissions will be maintained in the order of priority of the above admissions criteria for Year R.

Waiting lists for other year groups are also maintained in the order of priority of the above admissions criteria. All waiting lists are kept for one academic year.

When a child is added to the waiting list, the list will be ranked again according to the Admissions Criteria stated above.

Appeals

If your child is refused a place at our school, the School Standards and Framework Act 1998 gives parents the right to appeal against the decision of the governors regarding admissions. Parents wishing to appeal should complete the online form available on the Essex Admissions website (<https://www.essex.gov.uk/after-your-school-offer/appeals>). If a parent is unable to complete the online form, an admission appeal form is available to download from the same website and should be returned to:

Statutory Appeals Officer, P.O. Box 11, Chelmsford, CM1 1LX.
or by email: statutoryappeals@essex.gov.uk

Admission of children outside their normal age group

The parents of a summer born⁶ child may choose not to send that child to school until the September following their fifth birthday and may request that they are admitted out of their normal age group – to Reception rather than year 1. The application should be made at the correct time for the normal admission round for the following year.

Summer born children 2027 entry

If your child was born during the period 1 April 2022 to 31 Aug 2022 and you want him/her to start Reception in Sept 2027 (instead of starting in the 2026-2027 academic year) please contact the Headteacher to discuss this at the earliest opportunity. The process as described in the “Primary Education in Essex” booklet (available from the Essex Council Council website) must then be followed.

There are no guarantees that an application will be automatically agreed.

If your request is not agreed and you would still prefer that your child starts in September 2027, you would need to make a mid-year application in the summer term in 2027 for a Year 1 place at the relevant schools. The application will **not** be dealt with as a Reception application.

⁶ The term summer born children relates to all children born from 1 April to 31 August. These children reach compulsory school age on 31 August following their fifth birthday (or on their fifth birthday if it falls on 31 August)

We advise you to make any such request as soon as possible because if your request is not agreed, you will need to make an application for a place for the school year starting in September 2026, and the deadline for you to do this is 15 January 2026.

Summer born children 2026 entry

If your child was born during the period 1 April 2021 to 31 Aug 2021 and you want him/her to start Reception in Sept 2026 (instead of starting in the 2025 -2026 academic year) please contact the Headteacher to discuss this at the earliest opportunity. The process as described in the "Primary Education in Essex" booklet (available from the Essex Council Council website) must then be followed.

There are no guarantees that an application will be automatically agreed.

If your request is not agreed and you would still prefer that your child starts in September 2026, you would need to make a mid-year application in the summer term in 2026 for a Year 1 place. The application will **not** be dealt with as a Reception application.
