just.stopoil JUST GETTING STARTED

Corrupt politicians serving billionaires. Ordinary people struggling to survive. Media shifting blame from their mates on mega yachts to the people in small boats.

Nothing short of a political and economic revolution will get us out of this mess.

Help build the revolution. Donate via the link in our bio — [@just.stopoil](#)

**just.stopoil** We have been the most successful civil resistance campaign in recent UK history.

We have kept 4.4 billion barrels of oil in the ground.

And we're just getting started. Fund the next phase of resistance and help build a political and economic revolution. Link in bio — [@just.stopoil](#)

**samrafekri**  When night comes, I hold them tighter.  
Not from cold—but from fear.  
And still, they sleep peacefully.  
Because I tell them people care.  
That somewhere, hearts are watching.  
To those hearts—thank you for not turning away.  
You are part of our strength now.
