Essex County Council Member Allowances 2019/20

A report by Paul Turner Director, Legal and Assurance

11 July 2020

Introduction

Allowances paid to members of Essex County Council are governed by the Local Authorities (Members' Allowances) (England) Regulations 2003.

These regulations require the County Council to make a scheme of allowances which provides for the payment of an allowance in respect of each year to each member of the authority. This is known as the Basic Allowance.

The regulations also say that the scheme may provide for the payment of a Special Responsibility Allowance ('SRA') to members who have allocated to them special responsibilities as defined in the Members Allowance Scheme.

Finally, the regulations also say that the scheme may provide for payment of a Carer's Allowance, a Co-optee's Allowance and a Travel and Subsistence Allowance which may be claimed for expenses when undertaking duties approved by the Council.

The County Council has adopted a Members Allowance Scheme which allows for all of these types of allowances to be paid in certain circumstances – as set out in the scheme. <u>The Scheme is published on the County Council's website as part of the constitution.</u>

When making or amending a scheme of allowances the Council must have regard to recommendations made to it by an Independent Remuneration Panel. The most recent recommendations of the panel were made in June 2015.

The Council is required to maintain records of all allowances paid to its members and, at the end of each year, to publish the total sum paid to each member in respect of each of the above types of allowance.

Accordingly, the amount of allowances due to each member of the County Council with respect to the period 1 April 2019 to 31 March 2020 are shown in the table at the end of this report.

It should be noted that entitlement to a Special Responsibility Allowance varies according to role and may change during the year. Other factors can also affect the amount paid. The details of such variations, if any, are provided in the table.
