-----------------	---

Introduction

Pemberley Academy (the School) is a primary academy located at Hodings Road is part of REAch2 Academy Trust (the Trust).

The Trust is the 'admission authority' for all of its academies, and has developed an Admission Policy which is compliant with the School Admissions Code 2014 (the Code) and other guidance/legislation using a Trust-wide approach to admissions, following public consultation. The Trust's aim is to ensure all of its academies have simple, consistent admission arrangements that focus on serving the local community and reflect the Trust's vision and values.

More information about the Trust is available on its website: www.reach2.org

The School is based in the center of Harlow Town in the ward of little Parndon and Hare street. It is a one form entry school with a pupil admission number of 210.

More information about the School is available on its website:
www.pemberleyacademy.co.uk

At REAch2 Academy Trust, our actions and our intentions as school leaders are guided by our Touchstones:

Integrity	We recognise that we lead by example and if we want children to grow up to behave appropriately and with integrity then we must model this behaviour
Responsibility	We act judiciously with sensitivity and care. We don't make excuses, but mindfully answer for actions and continually seek to make improvements
Inclusion	We acknowledge and celebrate that all people are different and can play a role in the REAch2 family whatever their background or learning style
Enjoyment	Providing learning that is relevant, motivating and engaging releases a child's curiosity and fun, so that a task can be tackled and their goals achieved
Inspiration	Inspiration breathes life into our schools. Introducing children to influential experiences of people and place, motivates them to live their lives to the full
Learning	Children and adults will flourish in their learning and through learning discover a future that is worth pursuing
Leadership	REAch2 aspires for high quality leadership by seeking out talent, developing potential and spotting the possible in people as well as the actual

Published Admission Number (PAN)

The PAN is the number of pupils the school will admit in to Reception. The admission number for Pemberley Academy is 30 pupils.

The school will accordingly admit this number of pupils if there are sufficient applications. Where fewer applications than this are received, the Academy Trust will offer places at the school to all those who have applied.

Applications in the 'normal round' (that is the main cycle of applications for Reception places from the beginning of the school year) are administered on behalf of the Academy Trust by {Insert name of Local Authority} in accordance with the local coordinated scheme.

Statutory Maximum Infant Class Size

By law, infant classes (i.e. classes in Reception Year, Year 1 and Year 2 class) with a single school teacher are not permitted to contain more than 30 pupils, except in certain circumstances as set out below.

Some children are deemed to be 'excepted pupils', which means that they can be admitted to year group over its PAN and into a class over 30 pupils. These include (but are not limited to) children with an EHC plan and looked after children and previously looked after children placed outside the 'normal admission round'. Further information is contained in the Code.

Equality

The Trust and the School are familiar with, and fully comply with, their duties and responsibilities under the Equality Act 2010 in relation to children with protected characteristics, and this policy has been developed with regard to those responsibilities.

Meaning of 'Parent'

In this policy, the term 'parent' means a natural or adoptive parent of the child, as well as a person who is not the natural or adoptive parent of the child, but who has care of the child, or parental responsibility for the child. This is the legal definition of a 'parent' in education law.

Home Address

The 'home address' is considered to be the address at which the child resides on a permanent basis or is 'ordinarily resident'. This is generally the address of the parent/carer. In some cases, children may be 'ordinarily resident' for the majority of the school week, including overnight, with another relative or carer, such as a grandparent. This may also be the case where a child resides between two parents at different addresses following the breakdown of the parental relationship. Where this is the case, the application may be processed on the basis of that address (where the child resides for the majority of the school week) and proof of address and residence arrangement will be required with the application. The child must be living with the parent, relative or carer 24 hours per day, for the majority of the school week. Arrangements where parents can leave and collect children from another relative or carer on a daily basis will be regarded as childcare arrangements, and the child will not be deemed to be 'ordinarily resident' with that person. In all cases we expect that the

adult with whom the child is 'ordinarily resident' receives the child benefit for the child (where eligible).

The exceptions to this rule are the children of UK Armed Forces service personnel with a confirmed posting to their area, or Crown Servants returning from overseas to live in the area, for whom an application for admission may be made in advance of their move where it is accompanied by an official letter that confirms the intended relocation date and a Unit postal address or quartering area address for the child.

Children with an Education Health and Care Plan (EHC Plan)

Children with an education health and care plan (EHC plan) are admitted to school under separate statutory procedures managed by the child's Local Authority, and not under this policy.

Where the child with an EHC plan which names the School will be admitted in the 'normal admission round', they will be allocated places in Reception Year before other applications are processed, which will reduce the number of available places within the published admission number (PAN). At all other times, the child will be admitted even where this means exceeding the PAN.

Oversubscription criteria

When the school is oversubscribed (that is, there are more applications than places available), after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to those children based on the criteria set out below, in the order shown:

1. Looked after children and previously looked after children
2. Children with siblings in the school
3. Children of school staff fulfilling a skills shortage role
4. All other children

Definitions relating to the criteria

1. A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

Children will be regarded as having been in state care outside England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Applicants under this criterion will also need to fill in a Supplementary Information Form (SIF) evidencing state care outside of England. The SIF is available from the school website or school office.

2. 'Siblings' - For applications made in the normal admission round a relevant sibling is

a child who has a brother or sister, adopted brother or sister, stepbrother or stepsister, foster brother or sister, or the child of a parent's co-habiting partner; living in the same family unit in the same family household and address who attends the school in any year group excluding the final year. Biological and adopted siblings who attend the preferred school in any year group excluding the final year will also be treated as siblings irrespective of place of residence. Children residing in the same household as part of an extended family, such as cousins, will not be treated as siblings. For mid-year applications a sibling is a child who has a brother, sister, adopted brother or sister or stepbrother or stepsister living in the same family unit in the same family household and address as a child who attends or has been offered a place at the preferred school at the time of application and determination and with a reasonable expectation that the sibling will be attending at the time of admission.

3. This option is only available for all staff with a permanent contract to work at the school (and not employees in REAch2 cluster or central teams); it will be subject to confirmation by an independent REAch2 non-executive that, on the evidence available, the member of staff is recruited to fill a post where there is a demonstrable skills shortage. Staff must contact the school Headteacher when applying for a place under this criterion. The Headteacher will provide a letter to the Admission Authority and Local Authority Admissions Team confirming the staff members full time employment.
4. 'All other children' refers to all applicants who do not fall in to any of the categories above.

Tie Breaker

Where the number of applications exceeds the number of places available within any of the categories above, the order in which places will be allocated will be determined by reference to the distance between the child's home address (as defined by this policy) and the School, with those living nearer receiving higher priority.

Where it is not possible to separate two or more applications because the children concerned live an equal distance from the School, the order in which places are allocated will be determined by the drawing of lots in front of an independent witness.

Where multiple birth siblings (twins and triplets etc.) from the same family are tied for the final place, we will admit them all, as permitted by the infant class size rules and exceed our PAN.

Distance Tie breaker from Essex website;

Distance tie breaker For admissions purposes the LA uses data provided by Ordnance Survey (OS) to measure straight line distances. The OS data plots the co-ordinates of each individual property (the home address) which are referred to as address points. The definition of the home address is as described above. Straight line distance is measured from the address point of the home address to address point of the school. Distances are reported in miles to three decimal places. If a child's time is split equally between two residences, the address of the residence at which the child resides for the majority of the school week would be used to measure the distance between the child's school and home. In the unlikely event of two applicants with an identical distance competing for a single place at a school the place will be offered to one applicant on the basis of lots drawn by an officer of the County Council not involved in admissions, with the exception of twins, triplets etc.

Late applications

All applications received on or by the 15th of January 2023 will be considered equally. Late applications can be accepted for good reasons until 3rd of February 2023. All applications received by the Local Authority after the deadline will be considered to be late applications. These will be considered after those received on time. If all available places are allocated to children whose applications were received on time, parents or carers who have made a late application may request that their child is placed on the school's waiting list

Deferred entry for Reception places

Parents/carers offered a place in Reception for their child have a right to defer the date their child takes up the place, or to take the place up part-time, until the child reaches compulsory school age. Children reach compulsory school age on 31 August, 31 December or 31 March – whichever of those three dates follows (or falls on) the child's 5th birthday. Places cannot be deferred beyond the beginning of the summer term of the school year for which the offer was made.

Admission of children outside their normal age group, including for 'summer-born' children

Parents or carers may request that their child is admitted outside their normal age group. To do so, they should include a written request with their application, setting out the year group in which they wish their child to be allocated a place and the reasons for their request. When such a request is made, the Admission Authority will make a decision on the basis of the circumstances of the case, based on their professional judgement of what is in the best interest of the child, taking account of the evidence and rationale provided by the parents/carers.

Waiting lists

Where the school receives more applications for Reception places than there are places available, a waiting list will operate and details [under the current Essex guidance] will be made available at the start of the Autumn term 2023. The waiting list will be maintained by the school and it will be open to any parent or carer to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.

A child's position on the waiting list will be determined solely in accordance with the oversubscription criteria (not by date in which the child's name was added). Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

Appeals

Parents have a statutory right of appeal to an Independent Admission Appeal Panel against the refusal of a place at the School for their child. Admission Appeal Panel Hearings are conducted strictly in accordance with procedure and criteria set out in the School Admission Appeals Code 2012, which is accessible on the Department for Education's website:

Appeals against admission decisions Parents have the right to appeal against admission decisions to an Independent Appeal Panel. Information about how to appeal against a refusal of a school place will be sent with the offer pack. Notice of appeal should be sent to the Clerk to the Independent Appeal Panel, PO Box 11, Chelmsford, CM1 1LX.

In-year Admissions

On receipt of an application after the start of the autumn term the LA will contact the school in writing for the up-to-date numbers. If there are spaces in the year group an offer will be made or if not a refusal will be sent and the right of appeal given if it was a first application for the year group. Unless there is a significant and material change in circumstances a second application received in the same academic year does not have to be determined by the LA and no second right of appeal will be given.

When there are more applications, received on the same day, than the number of places available the school's admission criteria will be used to determine any offers that can be made. There is a process in place that considers parents continued interest in a place at an oversubscribed school. Details of the process will be available to parents who have applied and been refused a place after the start of the autumn term.

Fair Access Protocol [From Essex Website]

Fair Access Protocol The LA has a Fair Access Protocol to ensure that schools and the LA work together to ensure that access to education is secured swiftly for children that have no school place. The aim of the protocol is to encourage close co-operation between schools, when allocating places for pupils who are 'hard to place' (for example children with challenging behaviour) that balances the needs of parents, children and schools. In addition, under the protocol the LA can, in exceptional cases, approach schools and ask them to admit children over their admission number where, for example, a child has moved into an area and there are no schools within a reasonable distance of the child's home with a place available. Children considered for admission under the Fair Access Protocol will take precedence over children on a waiting list who are attending another school. If, having applied for a place, your child is still left with no school place at all please contact School Admissions for more advice.

2023/24

Supplementary information form to support an application for children previously in care outside of England

Children who appear to have been in state care outside of England and ceased to be in state care as a result of being adopted. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society.

Current legal Surname of child	
Any previous name(s) by which the child was known	
Forename(s)	
Current School (if applicable)	
Year Group for which you are applying	
Parent(s) / Carer(s)	
Home address	
Telephone	
Email	
Date of Adoption	
Name of Country and local authority where the child was in state care	
Please list documentary evidence provided to support above application (e.g. birth certificate, adoption certificate)	

Signed _____

Name _____

Date _____

Prior to admission, please return the completed form and documentary evidence to the school office for which you are applying to.
